The focus of Milemarkers is to provide education, support, and environments for families and individuals with disabilities within our community, county wide. Milemarkers believes that individuals with disabilities should have the opportunity to receive therapy services and supports in their own community in order to increase their functional independence. At the heart of our service planning and delivery are core values and philosophy that help shape family friendly and diversified services.

American Cancer Society

At the American Cancer Society, we're on a mission to free the world from cancer. Until we do, we'll be funding and conducting research, sharing expert information, supporting patients, and spreading the word about prevention. All so you can live longer — and better. Whether we're working in a community near you or one halfway around the world, our mission remains the same: to save lives. See what we've been up to lately — and get to know the American Cancer Society a little bit better.
