

Extra Strength

Commercials!! Whether I like it or not – those silly tunes and stories get stuck in my head even when I only see one!!! Why can't the Word of God get stuck in my head after reading it one time? This – I would very much welcome. As I type my daughter is singing a tune from a commercial – the song could be worse, it's something about "it's a beautiful day to be alive!" Yes – yes it is! The T.V. is currently off and they were only allowed to watch 1 hour and still – in that 1 hour, I saw commercials that are still etched in my brain. I saw one specific commercial that triggered this message. It was an extra strength pain medication.

I immediately thought of the scripture: **Isaiah 40:31 – But those who wait on the Lord Shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint.**

My family is in the process of waiting on the Lord. I went round and round with the Lord last night barely getting any sleep which I'm used to when I'm waiting on Him, because I've come to realize that it's in most of these moments where the Lord chooses to share little nuggets of wisdom with me and I get to see Him moving in my life. This waiting on the Lord – gives me strength. ***Extra strength Jesus – try Him today!*** Jesus is the Word, so here are some scriptures for you to take each day, as many times a day as much as needed. Blessings & Strength to you!

Isaiah 40:29 – He gives power to the weak, And to those who have no might He increases strength.

Exodus 15:2 – The Lord is my strength and song, And He has become my salvation; He is my God, and I will praise Him; My father's God, and I will exalt Him.

Psalm 18:39 – For You have armed me with strength for the battle; You have subdued under me those who rose up against me.

Psalm 27:14 – Wait on the Lord; Be of good courage, And He shall strengthen your heart; Wait, I say, on the Lord!
