

STOP COVID-19 Screening Questionnaire

Please complete before entering the child care/day camp/school setting.

Name: _____ Date: _____ Time: _____

1. Does the child/student have any of the following new or worsening symptoms?*

 Fever > 37.8°C	Yes <input type="checkbox"/> No <input type="checkbox"/>	 Cough	Yes <input type="checkbox"/> No <input type="checkbox"/>	 Difficulty breathing	Yes <input type="checkbox"/> No <input type="checkbox"/>	 Decrease or loss of taste/smell	Yes <input type="checkbox"/> No <input type="checkbox"/>
 Sore throat or pain swallowing	Yes <input type="checkbox"/> No <input type="checkbox"/>	 Stuffy or runny nose	Yes <input type="checkbox"/> No <input type="checkbox"/>	 Headache**	Yes <input type="checkbox"/> No <input type="checkbox"/>	 Feeling unwell, muscle aches or tired**	Yes <input type="checkbox"/> No <input type="checkbox"/>

Stay home & self-isolate + **Get tested Or** **Contact a health care provider**

2. Does anyone in your household have one or more of the above symptoms and/or are waiting for test results after experiencing symptoms?***

Yes No

3. Has the child/student travelled outside of Canada in the past 14 days?

Yes No

4. Has the child/student been notified as a close contact of someone with COVID-19 or been told to stay home and self-isolate?

Yes No

If "YES" to Questions 2,3, or 4:  **Stay home +**  **Follow Toronto Public Health advice**

*Children who have an existing health condition identified by a health care provider that gives them the symptoms should not answer "YES", unless the symptom is new, different or getting worse. Look for changes from the child/student's normal symptoms.

**If the child/student is 12+ years old and has a mild headache, tiredness, sore muscles or joints within 48 hours after getting a COVID-19 vaccine, they should select "No" and wear a fitted mask when at child care/day camp/school. If symptoms last longer than 48 hours or worsen, they are to stay home, self-isolate and get tested.

***If the household member received a COVID-19 vaccination in the last 48 hours and is experiencing mild headache, fatigue, muscle aches and/or joint pain that only began after vaccination, select "No."

Updated June 18, 2021 

MY CHILD/STUDENT HAS 1 OR MORE SYMPTOMS OF COVID-19, WHAT SHOULD I DO?

Was the child/student a close contact of someone who tested positive for COVID-19?

YES

- Everyone, including household members, should stay home & self-isolate. Get your child tested.
- If positive, notify the child/student's child care/day camp/school of the positive result. Toronto Public Health will follow up with further instructions.
- If negative, the child/student will still need to self-isolate for 14 days from last exposure to the person who was positive. Any household members can go to child care/day camp/school/work but must not leave the home for other non-essential reasons.
- If your child/student is not tested they need to self-isolate for 10 days. Household contacts will also need to stay home and self-isolate for 14 days.

NO

- Notify the child/student's child care/day camp/school that they have symptoms.
- The child/student should stay home, self-isolate & get tested.
- Anyone in the household who attends a child care/day camp/school setting must also stay home and self-isolate until the child's test is negative.
- If the child/student is 12+ years old and has a mild headache, tiredness, sore muscles or joints within 48 hours after getting a COVID-19 vaccine, they should wear a fitted mask when at child care/day camp/school. If symptoms last longer than 48 hours or worsen, they are to stay home, self-isolate and get tested.

What was the result of your child/student's COVID-19 test?

POSITIVE

- Let your child/student's child care/day camp/school know that they tested positive for COVID-19.
- The child/student must stay home & self-isolate for 10 days from the day their symptoms started. They can return to child care/day camp/school, after 10 days even if someone else at home develops symptoms.
- Household members & close contacts must self-isolate for at least 14 days.
- Toronto Public Health will contact you to do an investigation & will provide further instructions.

NEGATIVE

- The child/student may return to child care 24 hours after their symptoms started improving.
- Siblings and adults who attend a child care/day camp/school setting can return right away as long as there are no other household members with symptoms.

NOT TESTED

- The child/student must stay home & self-isolate for 10 days from the day symptoms started. After 10 days, the child/student can return to the child care/day camp/school setting if their symptoms are improving.
- Everyone in the household must self-isolate until the child/student with symptoms gets a negative COVID-19 test or 14 days have passed.
- If a health care provider has diagnosed a condition that isn't related to COVID-19, the child/student can return to child care/day camp/school 24 hours after their symptoms improve. Household members do not need to stay home.

If the child/student has travelled outside of Canada in the last 14 days:

- They are required to self-isolate for 14 days even if they test negative for COVID-19.
- If the child/student has symptoms, their household members should self-isolate until the child/student's COVID-19 test is negative.
- If the child/student does not have symptoms, household members should stay home except for essential reasons while the student/child is self-isolating. Essential reasons include attending school/child care/day camp/ work and essential errands such as obtaining groceries, attending medical appointments or picking up prescriptions.

Jackman Daycare Health Pass

The most important thing families can do to help slow the spread of COVID-19, is to screen their children daily for any COVID-19 symptoms and keep them home from daycare if they are sick or have had close contact with anyone diagnosed with COVID-19.

Review this COVID-19 checklist daily with your child. Sign* below each day to confirm that your child does not have any symptoms or have had other exposure to COVID-19. We all have a role in keeping our daycare safe and healthy. Please fill out one per child.
