President Phil Lord opened with prayer at 7:05pm.

Ann Langley proposed that we postpone the business meeting until after the speaker's presentation, or possibly to next month. The motion was seconded and passed.

Program: Phil introduced our speaker, Journeyman Beekeeper Jimmy Gatt, who talked about choosing plants that are useful to our bees, with an emphasis on trees and shrubs that provide nectar during the summer dearth. A question and answer session followed the presentation.

The meeting was adjourned at 8:15pm.

Respectfully Submitted,

Roberta Wilson, Secretary
