RE: OHSAA Bowling Regulations and Related Materials

This bowling manual is intended as a guide to assist with the coaching and administration of interscholastic boys and girls bowling. Included in this manual are the sports regulations for bowling as adopted by the OHSAA Board of Directors, **AS WELL AS ENHANCED REGULATIONS THAT INCLUDE ADDITIONAL INFORMATION.** Also, you will find information on the rules interpretation meetings scheduled for the 2017-18 season. There will be a very limited number of face-to-face rules meetings. Additional information regarding the OHSAA bylaws and constitution can be found in the current edition of the OHSAA Handbook or on our website at www.ohsaa.org. Please refer to our handbook or website for information regarding academics, residency, transfers, recruiting and other issues that may affect a student's eligibility for interscholastic athletics. **Questions regarding a student's eligibility should be referred to the student's athletic administrator.**

It is mandatory that each school that sponsors bowling send a representative to a bowling rules interpretation meeting OR for the head coach to view an online rules meeting. For face to face meetings, the head varsity coach, assistant coach, or an athletic administrator from each school that sponsors a bowling team may attend. The online meeting should be viewed by the head coach (assistant coaches are welcome to view as well). **Attendance at or completion of a meeting is required in order to be eligible to enter the OHSAA sponsored bowling tournament.** In order to receive credit for attending a face to face meeting, you must be present within 10 minutes of the start of the meeting and stay until the conclusion of the meeting. **Please make sure you complete an attendance card in order get credit for the face-to-face meeting that you attend. If you coach both the boy's team and the girl's team, you will receive one mailing card. Please bring this card to the meeting. You will need to attend only one meeting or complete an online meeting. If you fail to complete an attendance card, you may not get credit for attending the meeting. You will need to indicate if you are both the boys and girls coach. Online meetings will be available by October 17, 2017.** If a school has a separate coach for the boy's team and the girl's team, each respective coach must attend a face to face meeting or complete the online meeting.

The USBC 2017-2018 Playing Rules and the OHSAA Bowling Sports Regulations will serve as the official rules of Bowling. The OHSAA may have modified some USBC rules so that they are in alignment with OHSAA sports regulations. The USBC 2017-2018 Playing Rules can be found at www.bowl.com/rules. **OHSAA rules and regulations take precedence over USBC rules in those areas where the rules may differ.**

A bowling team for OHSAA tournament purposes will consist of eight team members, five of whom may participate at any given time. **Participants in interscholastic bowling cannot participate in a non-interscholastic event while bowling on a school-sponsored team.** There are **two divisions in girls and boys bowling, BUT THERE IS NOW JUST ONE NON-INTERSCHOLASTIC DATE. The non-interscholastic date for bowling is January 22, 2018.** There have been too many violations of the non-interscholastic rule. **Please make your bowler(s) aware that they may not engage in non-interscholastic competition during their school season.**

Please note that a member school may be in one division in boys bowling and that same member school may be in a different division in girls bowling. Divisional alignment is based on member school enrollments, per gender, as well as the number of school teams which participated in the 2016 sectional tournament. If fewer than five bowlers participated, the school was not considered to have a 'team' in regard to the tournament representation. *Note the changes in the bowling calendar reflecting the two divisions.*

Please be reminded that coaching and instruction in bowling begins November 3, 2017. Regular season competition begins November 16, 2017. **Scrimmages are NOT permitted. The contest limitation for bowling is 24 matches.** A match with multiple teams bowling at one time, where the match starts at the same time and is not a series of dual matches, is considered to be one contest toward the 24 match season limitation. Please refer to the bowling regulations regarding tournaments and regular season match limitations. Also note that the bowling sports regulations specifically address girls playing on boy's teams. There are no "co-ed" teams. **Please speak to your athletic administrator if you have girls playing on a boys' team. NEW FOR THIS SCHOOL SEASON (2017-18) IS COMPETITION IS PERMITTED BETWEEN BOYS AND GIRLS TEAMS ON A CASE BY CASE BASIS. THIS COMPETITION IS PERMITTED ONLY WHEN THE EXECUTIVE DIRECTOR'S OFFICE (OHSAA) ISSUES A WAIVER PRIOR TO THE COMPETITION OCCURRING. SUCH CONTESTS SHALL COUNT IN THE 24- CONTEST SEASON LIMITATION FOR BOTH TEAMS.**

You should print and keep a copy of this manual. Check with your school's athletic director to see if he/she has indicated that your school will enter the State Bowling Tournament. If your school has indicated that it will participate in the state tournament and does not enter a team in the state tournament, there will be a penalty of \$150 assessed if the OHSAA does not receive online correspondence, through MyOHSAA, by **January 29, 2018** that your school will not enter a girls and/or boys team in the postseason tournament(s). If your school has not indicated that it will enter the state bowling tournament and wishes to do so, your athletic administrator will need to change your tournament participation on MyOHSAA prior to **January 30, 2018**. Beginning **January 30, 2018** there will be a \$150.00 penalty to enter the tournament.

In regard to the OHSAA practice regulation which refers to open play and/or practicing at the host center, the coach and/or bowlers shall be most responsible for adhering to this regulation.

You are responsible for knowing the rules and regulations of bowling. Take the time to read and review the materials. If you have any questions or if I can be of assistance, please contact me at (614) 267-2502, or email me at price@ohsaa.org. Email correspondence is preferred.

Online Rules Meeting Available on **October 17, 2017**

***Meeting will be available on your myOHSAA page beginning at 4pm. Please speak with your athletic administrator to set up your myOHSAA page.**

Online Rules Meeting Must be Completed by **November 15, 2017**
Online Meeting with late penalty will occur from November 16, 2017 to January 29, 2018.

MISSION STATEMENT

The Ohio High School Athletic Association's mission is to regulate and administer interscholastic athletic competition in a fair and equitable manner while promoting the values of participation in interscholastic athletics as an integral part of a student's educational experience. The OHSAA represents its member schools by recognizing and promoting academics, the safety of participants, good citizenship, and lifelong values as the foundation of interscholastic athletics.

By OHSAA Board of Directors regulation, any school sponsoring interscholastic contests in high school bowling must have the head coach, assistant coach or athletic administrator attend one of the meetings listed below or complete an online rules meeting. Any school failing to meet this requirement will be ineligible for OHSAA sponsored tournament competition. It is the responsibility of the attendee to be in attendance within 10 minutes of the start of the meeting and stay until the conclusion of the meeting in order to receive credit for attendance. **Online meetings must be completed by November 15, 2017. After this date, there will be a \$50.00 late fee for the online meeting.**

Those coaches/administrators who do not attend a regularly scheduled rules interpretation meeting, or complete an online meeting may request a special make-up meeting from an interpreter listed below. The fee for a Special Make-up Meeting is \$50.00.

In case of questionable weather or driving conditions, **a face to face meeting may be postponed**. Postponed meetings will be announced on the OHSAA website, www.ohsaa.org You may also seek verification by calling 614-267-2502 after 12:00 Noon.

FREQUENTLY ASKED QUESTIONS REGARDING BOWLING

Listed below are frequently asked questions regarding bowling as an interscholastic sport. This question and answer guide is specific to the sport of bowling and the sport regulations associated with it. The constitution and bylaws of the OHSAA apply to bowling as they do to all of the other recognized OHSAA interscholastic sports.

Q. As a member of a school sponsored team, can an individual continue to bowl on a non-school/League team when also a member of a school team? Can a member of a school sponsored bowling team bowl in a charity event during the school season? What about a scholarship competition during the school season?

A. **No.** When a school has indicated to the OHSAA that it will sponsor bowling, no member of that school team can simultaneously bowl for a school-sponsored team and a non-school sponsored team. A team member cannot bowl in a non-school sponsored tournament, scholarship or charity competition. **Once a member of a school-sponsored team begins his/her season by participating in a contest, non-interscholastic competition is no longer permitted.** Pre-bowling is also not permitted, *nor is "pacing" alongside a league.* What is permissible is to "use" the scores from a high school event toward a non-school contest – such as a track athlete's "time" in a high school meet may be used to qualify the athlete for a non-school event, **but no student-athlete can compete in a non-school event once the student has participated on the school team during the school season.**

Q. If a team member wants to bowl in a league and join the school-sponsored team at a later date, is this permissible?

A. Yes. There is a *Non-Interscholastic Participation Date* established for each sport recognized by the OHSAA. This date is generally 42 days prior to the Monday of the OHSAA state tournament for that sport. When there is more than one division in a sport, such as with bowling, the non-interscholastic date may coincide with the date for DI participants so as to have but one date. The non-interscholastic participation date established for the 2017-18 bowling season is **January 22, 2018 for all teams/ individuals.** In order for a student-athlete to participate in the OHSAA post-season tournament, the student-athlete must stop participating in non-interscholastic bowling prior to the non-interscholastic date. It is important to remember that a student-athlete cannot participate in a non-interscholastic event while bowling on a school-sponsored team. Such 'dual' competition would render a student-athlete ineligible for interscholastic bowling.

Q. Will my high school "club" team be permitted to participate in the OHSAA post-season tournament?

A. This may be the most frequently asked question. The OHSAA does not label sports as club or varsity. Each spring the OHSAA asks each member school to designate their "sponsored" sports. The principal (or designee) must designate, on-line through MyOHSAA, which interscholastic sports the school will sponsor during the upcoming school year. The deadline to designate sports is generally May 1 for the ensuing school season. The school administrator must indicate that the school will sponsor boys and/or girls bowling **and** whether or not the school will enter the OHSAA post season tournament. The deadline date for entering (or withdrawing from) the OHSAA State Tournament is January 29, 2018. Schools that failed to indicate that they would sponsor bowling initially can still log into MyOHSAA and update their records. The record must indicate whether the school team will participate in the OHSAA tournament. This records update must be received by January 29, 2018 in order to participate **without penalty.**

Q. How does the OHSAA adoption of bowling as an interscholastic sport affect a team's regular season? For example, can a school team participate in a contest with a non-interscholastic team?

A. The OHSAA does not determine conference affiliation or against which teams a school will compete. OHSAA sports regulations prohibit more than 24 contests in a regular season. A school-sponsored team may bowl against a non-school sponsored team or a non-member school team provided the non-school sponsored team or non-member school team is in compliance with the playing rules of the OHSAA. *Bylaw 9-Contests Requiring Special Attention-* in the OHSAA Handbook addresses contests with non-interscholastic teams and non-member schools.

Q. What will constitute an official regular season match?

A. A regular season match will consist of a minimum of two regular games of tenpin regulation scoring followed by a minimum of two Baker games. Total combined pins for all games bowled shall win the match. Regular season matches in which more than the minimum number of games is bowled (excluding tournaments) require the permission of the participating schools. School teams

may also participate in tournaments that utilize an All-Baker game format. See Bowling Sports Regulation 1.21. All contests count in the 24 match season limitation.

Q. What is a Baker game?

A. A Baker game consists of 10 frames, but each of the five participating bowlers' only bowl two frames each. Bowler #1 bowls the first and sixth frames, bowler #2 bowls the second and seventh frames, bowler #3 the third and eighth frame, etc. until all 10 frames are bowled.

Q. How many matches can a team bowl in a regular season?

A. **An interscholastic team and/or an individual can bowl in no more than 24 contests.** Each interscholastic contest counts. *Regular season tournaments with multiple teams count as one contest. However, a tournament that is designed to run more than one day shall count as the same number of matches as days of the tournament.* For tournaments that feature only head to head competition between teams rather than field of play competition, each head to head competition shall count as one contest. *Scrimmages are not permitted.* **Matches with multiple teams count as one match/contest provided the teams commence bowling at the same time and the matches are not head to head matches between teams, but rather field of play. These matches have but one "winner." Teams then vie for second place, third place, etc.** A match with multiple teams that do not bowl head to head is but one match toward the 24 match season limitation just as a track meet with multiple teams is one meet.

Q. Have some dates for the 2017-18 bowling season been established?

A. Yes. Coaching/tryouts may begin on November 3, 2017. Regular season competition begins on November 17, 2017. The non-interscholastic participation date FOR **BOTH DIVISION I AND DIVISION II** is January 22, 2018. The sectional tournament FOR DIVISION II will run from February 11 - February 18, 2018. The district tournament FOR DIVISION II will be held the following week. The DIVISION II BOYS State Bowling Tournament will be MARCH 2, 2018. The GIIRLS State Bowling Tournament is scheduled for MARCH 3, 2018.

FOR **DIVISION I** the non-interscholastic date is ALSO January 22, 2018. The Sectional Tournaments are scheduled for February 18-25, 2018 and the District Tournaments are scheduled for February 25- March 4, 2018. The DIVISION I BOYS STATE TOURNAMENT IS SCHEDULED FOR FRIDAY, MARCH 9, 2018. THE DIVISION I GIRLS STATE TOURNAMENT IS SCHEDULED FOR SATURDAY, MARCH 10, 2018.

Q. Is a member of an interscholastic bowling team required to have a physical exam?

A. **Yes.** All interscholastic athletes must have a physical (unless exempt) and complete all required forms. These forms must be filed with the designated school administrator prior to any practice or competition.

Q. What are the coaching requirements for Bowling?

A. The requirements to coach interscholastic bowling are identical to those for other interscholastic sports. A coach must obtain a Pupil Activity Supervisor Permit and CPR training as required by the Ohio Department of Education. Concussion Management Training is also a relatively new requirement. Each Board of Education may determine if there are additional coaching requirements. For further information on the ODE Pupil Supervisory Permit, go to www.ohsaa.org and click on Coaches Corner, which can be found under the School Resources link. **Note: New for the 2017-18 school year, is the Sudden Cardiac Arrest Training that MUST be completed.**

Q. Who serves as the contest official?

A. The home school coach shall serve as the contest official, enforcing all OHSAA regulations and USBC rules.

Q. What kind of expenses should we plan on?

A. Bowling is a relatively inexpensive sport. Team members must wear the same sleeved, bowling shirt, which conforms to school/OHSAA regulations. All players must wear the same color pants. Girls are permitted to wear skirts/shorts provided the skirts/shorts are of the same color as the pants. Cargo, yoga, leggings, and painter pants are not permitted. **Please refer to the**

OHSAA bowling uniform regulations for more detailed information in regard to uniforms. Bowling balls and bowling shoes are also required. Each Bowling Center determines its own fees; many Bowling Centers may reduce lane fees for interscholastic teams.

Q. Are there any transportation issues with which we should be familiar?

A. Transportation is a local school issue. All questions regarding transportation to and from practice and competitions should be directed to the school's athletic administrator. Please refer to the OHSAA Sports Regulations in the OHSAA Handbook (item #21) for more information regarding transportation to and from interscholastic contests.

Q. How can I locate a Bowling Center near my school?

A. There are many ways to locate a bowling center. One of many possible sites is www.bowloho.com. Click on "members" and you will be able to view a list of bowling centers and the city in which each center is located. In regard to contests, bowlers are prohibited from engaging in open play/practice on the days of the match prior to official team warm-ups.

Note from Roxanne Price:

Chair of the OHSAA Sportsmanship, Ethics, and Integrity Committee:

As we prepare for the upcoming seasons, the Ohio High School Athletic Association (OHSAA) wishes to emphasize to each of you the importance of your leadership role in the promotion of sportsmanship, ethics and integrity. The professional manner in which officials and coaches conduct themselves prior to, during and following a contest unquestionably impacts the behavior of others who may be involved.

The OHSAA has joined the National Federation of State High School Associations (NFHS) in its quest to improve sportsmanship, ethics and integrity. We are involved in an ongoing campaign in every sport to do just that. Printed below is a sample statement of the OHSAA concerning sportsmanship, ethics, and integrity. Please take the time to read and digest this statement and then carefully consider your impact upon students, officials, coaches, and fans. Thank you and have a great season!

3. BOWLING — BOYS AND GIRLS

A. GENERAL REGULATIONS

1) Interscholastic Participation

1.1) All high school bowling matches shall be played utilizing USBC rules modified according to OHSAA Bylaws and Sports Regulations.

1.2) A minimum of two (2) regular games of tenpin regulation scoring followed by a minimum of two (2) Baker games will constitute an official, regular season match. Total combined pins for all games bowled win the match. Regular season matches (excluding tournaments) that bowl more than the minimum number of games as described above require the permission of the participating schools.

1.21) In addition to regular season matches, teams may participate in tournaments that utilize an all-Baker format, provided that a minimum of five (5) teams participate in each respective level/division and no fewer than six (6) Baker games are bowled by each participating team. Boys teams and girls teams may not participate against each other in regular season matches/tournaments without prior permission of the OHSAA Executive Director's Office. All contests count in the 24 match season limitation. **Note:** See Bowling Regulation B.7 for additional tournament information.

1.22) A school team/individual that exceeds the regular season participation limitation (maximum number of contests permitted) or participates in regular season contest(s) prior to the designated start date for contests shall not be permitted to participate in the OHSAA tournament.

1.23) Competition is permitted between boys bowling teams and girls bowling teams on a case by case basis. This competition is permitted only when the Executive Director's Office issues a waiver prior to the competition occurring. *Such contests shall count toward the 24-contest season limitation.*

1.24) Tiebreakers

a. **Team**—ties for team match total pins and the advancement of teams in tournaments and/or the placement of teams on brackets will be broken by a 9th and 10th frame roll-off between one player from each team selected by each respective head coach. This roll-off, utilizing the same two players, will be repeated until the tie is broken. For the initial tiebreaker, the winner of a coin toss will select their starting lane and determine who bowls the 9th frame first. Bowlers will rotate lanes for the 10th (and any additional) frame.

b. **Individual**—ties for advancement/awards in individual competition will be broken based on the highest single game bowled in the series being used to determine advancement/awards. Should this also result in a tie, there will be a 9th and 10th frame roll-off until the tie is broken. For the initial tiebreaker, the winner of a coin toss will select their starting lane. Bowlers will rotate lanes for the 10th (and any additional) frame.

c. **Baker Game**—no individual Baker Game shall end in a tie in head-to-head Baker game competition that advances teams on brackets or tournaments. In such situations, the tie will be broken by a 9th and 10th frame roll-off between one player from each team selected by each respective head coach. This roll-off, utilizing the same two players will be repeated until the tie is broken. Each team will bowl a 9th and 10th frame roll-off on the same lane in which the Baker game was bowled. The team shall continue to bowl on the same lane until the tie is broken. The same coin toss procedure for team ties shall apply.

1.3) A team will field five (5) players at a time in contests. A minimum of three (3) players must be present to constitute a legal lineup. Absent and/or tardy bowlers will receive a score of zero (0) for any missed frames. Missed frames cannot be made up. Any school that fails to field a legal lineup shall not be permitted to participate in a contest.

Note: School teams are not permitted to practice against each other. School teams may practice in the same facility at the same time, but member schools may not “combine” teams to practice simultaneously on the same lanes.

- 1.4) Lineups – A coach may change his/her team lineup (order of bowling) prior to the start of any game.

1.41) Participation Limits–Players may be moved between varsity and non-varsity teams at the discretion of the coach. The maximum number of matches in which a bowler may participate during the season is 24. Bowling a frame or any part of a frame in any game shall constitute a match. No player may compete on a school varsity and school non-varsity team simultaneously during a match. **The match in which the student first competes (non-varsity or varsity) must have concluded prior to the student bowling in the next match (non-varsity or varsity).**

- 1.5) Substitutions – A coach may substitute a player “at will” at any time before or during a game. However, once removed from the lineup, the removed player(s) may not re-enter play until the start of the next regular or Baker game. A player once removed is reclassified as a substitute bowler and may be used as a substitute bowler in any spot in the team lineup upon legal return to play (subsequent game). A coach substituting any player for any reason must notify the match scorekeeper and opposing coach at the time of the substitution. The partial game score produced by the removed player and substitute shall not be computed in the individual pin count of either player when determining advancement/awards in respect to matches/tournaments. Conferences may establish their own regulations to determine a student’s bowling average. Total pin count determines a team’s standing in regular season/tournament contests. **Penalty:** An illegal substitute shall be assessed a score of zero (0) for all frames, or part of a frame, bowled.

Note: Any frame, or part of a frame bowled, counts in the total number of contests bowled in the season limitation of 24 matches.

- 1.6) The home school coach shall serve as referee, enforcing all OHSAA regulations and USBC rules.
- 1.7) School Representative – No team or individual entry will be permitted to compete in a contest unless accompanied by a school coach or a person authorized by the Board of Education or similar governing body.

- 1.8) Uniforms- All participants must wear the same sleeved, bowling shirt which conforms to school/OHSAA regulations. At a minimum the shirt must have the name of the school, school nickname as identified in the OHSAA School Directory, or school initials on the back. If only the school initial(s) is on the uniform, it must be prominently displayed. The name of the school or school nickname must be at least 1 inch in height. All participants must wear the same color pants. No jeans or cotton sweat pants are permitted. If nylon warmups are worn, they must be worn by the entire team and be identical in style and color. Girls are permitted to wear skirts and/or shorts provided the skirts/shorts are of the same color as the pants and are no shorter than the end of the bowler’s index finger when standing. Girls uniforms may be mixed.

Pants shall be worn at waist level and not sag or touch the floor. Cargo, yoga pants, jeggings, leggings, zebra/zubaz, and painter pants (i.e. pants with multiple side pockets down the leg) are not permitted. Headbands, if worn, must be a solid color and bear no markings, other than the school name, or official nickname, or mascot. Headbands do not need to be the same color for each team member. It is not necessary for each team member to wear a headband. Hair ribbons on girls are permitted. Hats are not permitted nor are bandanas of any type. Manufacturer’s logos (Nike, Adidas, etc.) are permitted on uniforms, not headbands, but not Bowling Center logos. See General Sports Regulations regarding permissibility and size of manufacturer’s and other (patriotic/memorial) logos. The OHSAA does not require a uniform to have a number. Conferences may have their own requirements.

2) Non-Interscholastic Participation

A member of an interscholastic bowling squad (any student who has played in a regular season/tournament contest) sponsored by the Board of Education or similar governing body shall not participate in a non-interscholastic (non-school) contest or event during the school’s bowling season (Sports Regulation 7.2.2).

Note: Examples of non-interscholastic bowling contests include, but are not limited to, club or intramural bowling, bowling facility championships, tournaments, leagues (adult

BOWLING 2017-2018

and/or youth), charitable events and other events that are organized for the purpose of competition or fundraising.

OHSAA ENHANCED/EXPANDED SPORTS REGULATIONS- BOWLING

The information below is being provided as a supplement to the Bowling Sports Regulations provided on the OHSAA website. **THESE REGULATIONS, WHICH ARE TO BE ADHERED TO... ARE IN ADDITION TO THE CONDENSED VERSION THAT APPEARS ON THE WEBSITE.**

The Bowling Regulations indicated below provide a *more exhaustive review* of the regulations affecting interscholastic bowling and you should read and review these regulations so that you have a better understanding of the OHSAA regulations that affect high school bowling in Ohio.

I bring the following items to your attention because of the issues we have had with things such as students playing in both a varsity and non-varsity games simultaneously (not permitted) and issues with uniform requirements and foreign substances, etc.

NEW FOR 2017-18:

Competition is permitted between boys bowling teams and girls bowling teams on a case by case basis. This competition must be approved by the Executive Director's Office prior to any such competition.

UNIFORMS:

All players must wear the same sleeved, bowling shirt which conforms to school/OHSAA regulations. At a minimum the shirt must have the name of the school or school nickname as identified in the *OHSAA School Directory* on the back. *The name of the school or school nickname, or school initials must be at a minimum 1 inch in height. The provision that a school team may also wear a bowling shirt that includes only school initials...* means those initials must be prominently displayed:

All bowlers must wear the same color pants. No jeans (of any color) or cotton sweat pants are permitted. If nylon warm-ups are worn, they must be worn by the entire team and be identical in style and color. Girls are permitted to wear skirts and/or shorts provided the skirts/shorts are of the same color as the pants and are no shorter than the end of the bowler's index finger when standing. Girl's uniforms may be mixed. Pants shall be worn at waist level and not sag or touch the floor. **Cargo, yoga pants, jeggings, leggings, zebra/zubaz, and painter pants (i.e., pants with side pockets that typically go down the leg) are not permitted.** Headbands, if worn, must be of a solid color and bear no markings, other than the school name, school official nickname or official mascot depiction. **Headbands may not bear the student's name or nickname.** *Headbands do not need to be the same color for each team member.* It is not necessary for all members of a team to wear a headband. **Hair ribbons are permitted. Hats are not permitted nor are bandanas of any type.** Manufacturer logos (Nike, Adidas, etc.) are permitted on uniforms (not headbands), but not Bowling Center Logos or sponsor logos. Currently there is no necessity to have a number on an individual bowler's uniform. Conferences/Leagues may have their own requirements.

These Zebra/Zubra pants are not permitted!!!

LINEUPS:

While it is permissible for a coach to change his/her team lineup (order of bowling) prior to the start of any game, it is **NOT PERMISSIBLE** for a student to participate in a varsity and non-varsity match at the same time. The match in which the student first competes (non-varsity or varsity) must have concluded prior to the student bowling in the next match (non-varsity or varsity). Each bowling match in which a student participates shall count as one match toward the regular season contest limitation of 24 matches.

USE OF FOREIGN SUBSTANCES:

The use of foreign substances applied to bowling balls, bowling shoes, towels, or the use of items **THAT ARE MANUFACTURED** to emit a foreign substance, including powder are prohibited.

Examples of prohibited foreign substances include, but are not limited to, rosin bags and E-Z Slide (Easy Slide). See exceptions below:

EXCEPTIONS: PUFF BALLS NOT MANUFACTURED TO EMIT A FOREIGN SUBSTANCE ARE PERMITTED. THE USE OF APPROVED CLEANING AGENTS, SUCH AS ISOPROPYL (RUBBING) ALCOHOL FOR PURPOSE OF BALL CLEANING IS PERMITTED DURING COMPETITION

Competition is defined as when scoring begins.

This product is permitted

Altering the Ball Surface:

A bowling ball surface may not be altered once competition begins and no alterations to the surface can be made for the remainder of the contest. All bowling balls altered once competition has begun (i.e. scoring has started) *shall be removed from competition.*

PENALTIES FOR THE USE OF FOREIGN SUBSTANCES/ALTERING THE BALL SURFACE:

- Use of Foreign Substance Penalty- For each frame bowled, or part of a frame bowled, a score of zero shall be assessed for the frame
- Altering the Ball Surface Penalty- The altered ball shall be removed from competition and for each frame bowled or part of a frame bowled, a score of zero shall be assessed for the frame.

PRACTICE:

Practice and open bowling shall be prohibited at the host center on the day of the match prior to official team warm-ups. It is the responsibility of the school coaching staff to enforce this prohibition, not the proprietor.

PENALTY: THE STUDENT IS INELIGIBLE TO PARTICIPATE IN ANY SCHOOL MATCH IN THAT CENTER ON THAT DAY. IF THE STUDENT PARTICIPATES IN A MATCH(ES) THE MATCH (ES) SHALL BE FORFEITED.

EXCEPTION: A student enrolled in a physical education class that meets at the bowling center does not violate this prohibition if participating at the center as part of the class requirement.

SPECTATORS:

Spectators are not permitted in the bowling pit area, where team members are seated (or standing). Spectators are not permitted to converse with participants during once pre-match official practice begins. Conversely, interscholastic bowlers are not permitted to converse with spectators while in the bowling competition area. **COACHES are responsible for the conduct of their bowlers.**

NOISEMAKERS/PROHIBITED ITEMS:

Noisemakers are not permitted during OHSAA interscholastic contests, including tournaments. Alcohol and illegal drugs are also prohibited. School banners/pennants, shakers, balloons, etc. are not permitted at contests among member schools. Fatheads, including those with photos, are also prohibited.

BOWLING CENTERS DEPEND ON REVENUE FROM THE SALE OF FOOD AND BEVERAGES...BE RESPECTFUL OF BOWLING CENTER POLICIES REGARDING ‘OUTSIDE FOOD/BEVERAGES.’

OUT OF STATE TRAVEL:

See your athletic administrator regarding this regulation.

BOWLING BALL *RECOMMENDATION*:

FOR SAFETY PURPOSES AND BECAUSE OF FACILITY SIZE/CAPACITY, IT IS HIGHLY RECOMMENDED THAT BOWLERS RESTRICT THE NUMBER OF BOWLING BALLS BROUGHT INTO THE FACILITY AT ONE TIME TO FIVE (5) PER BOWLER. THIS IS SIMILAR TO THE NCAA POLICY. WITH THE NUMBER OF SPECTATORS AND PARTICIPANTS THERE EXISTS A SAFETY ISSUE WHEN BOWLERS BRING IN AN EXCESSIVE NUMBER OF BALL BAGS AND BOWLING BALLS.

IT IS RECOMMENDED THAT YOU LIMIT EACH OF YOUR BOWLERS TO FIVE BOWLING BALLS AND ONE 3 BALL ROLLER BAG AND 1, 2 BALL TOTE. AT THE OHSAA POST SEASON TOURNAMENT WE WILL NOT BE ABLE TO ACCOMMODATE MORE THAN THE RECOMMENDED NUMBER OF BALLS AND TOTES PER BOWLER. OF COURSE, A BOWLER IS PERMITTED TO BRING FEWER BALLS/TOTES.

AT THE OHSAA TOURNAMENT, WE RESERVE THE RIGHT TO FURTHER LIMIT THE NUMBER OF BOWLING BALLS AND BOWLING BAGS. THE BOARD ADOPTED TOURNAMENT REGULATIONS WILL BE POSTED ON THE OHSAA WEBPAGE IN OCTOBER.

NEW FOR 2017-18---SCHOOL CONTESTS MUST BE UNDER THE DIRECT SPONSORSHIP OF A MEMBER SCHOOL.

BYLAW 1-2-1

ALL PRACTICES, GAMES, PREVIEWS AND OTHER INTERSCHOLASTIC CONTESTS **SHALL** BE UNDER THE DIRECT SPONSORSHIP AND SUPERVISION OF THE SCHOOLS INVOLVED AND SHALL BE THE FINANCIAL RESPONSIBILITY OF SUCH SCHOOLS.

What is means to be under the financial responsibility of such schools is that **a school coach/administrator must be aware of the financial transactions associated with an event and to whom revenues are being distributed.**

BYLAW 3-2-1

SECTION 2. School's Responsibility When Hosting A Contest

3-2-1 The host school has the responsibility to ensure that a contest or event is administered in a manner which emphasizes the educational values inherent in interscholastic athletics. It is the host school's responsibility to remove any individual(s) who disrupts the educational goals of the contest or event.

Likewise, the host school is ultimately responsible for the safety of all participants (players, coaches, officials, spectators, etc.) in the interscholastic contest immediately before, during and immediately after each contest or event. Therefore, the host school shall appoint a site director/manager or administrator-in-charge for every contest or event. The host school shall ensure that the site director/manager

or administrator-in-charge is aware of the school's emergency action plan and how to adjust it to meet the needs of the particular contest or event.

Included in the emergency action plan shall be procedures to deal with emergencies, crowd management and health and safety protections. The plan shall also include procedures to ensure that unauthorized personnel are kept from the playing field; to provide safety and security for the visiting team(s), their spectators and the contest officials, and to provide safety and security for parking areas related to the contest or event.

Penalties for violation of this bylaw shall be imposed by the Executive Director's Office as specified in Bylaw 11.

What it means for a bowling event/match/tournament to be under the direct sponsorship of a school—the school's responsibility... is that a school coach and/or administrator from a member school must be designated as the "site director/manager" and be aware/knowledgeable of the facility's emergency management plan. The designated site manager(s) would be responsible for the implementation of the emergency action plan. This would include knowing the location of the AED and protocol for contacting EMS. It also includes any evacuation procedures. The 'site manager' will ensure the safety of all participants, which includes crowd management. **SOLUTION; Assign as site director/manager a school/coach or administrator whose school team utilizes the facility!**

The school coach and/or administrator will also be responsible for the administration of the plan to deal with unruly fans.

**EMERGENCY:
CONFIDENCE TO RESPOND**

Regarding bowling contests being under the direct supervision of a member school, I would advise that a member school coach/administrator of a school that utilizes the facility be assigned as the site director/manager for contests held in that respective bowling facility.

Problems Viewing an Online Rules Meeting?

Problems are usually the result of a cache or buffering issue with the user's computer or ISP. Often, going "back" a screen, or allowing the computer to sit for a few minutes and "catch up" will solve the problem.

If problems persist, try the following steps before calling the OHSAA office:

1.) Upgrade Adobe Flash Player here: <http://www.adobe.com/go/getflash>

2.) TRY A DIFFERENT BROWSER LIKE CHROME OR FIREFOX. DISABLE POPUP BLOCKERS

3.) Clear your browser cache. You can do this in Internet Explorer by going to

In Windows XP, go to Start > Run.

6.) Copy and paste the following line of text (depending on your operating system) into the Run dialog box. Click OK, and delete the entire contents of the window (folder) that opens.

Windows Vista / 7:

"C:\Users\%username%\AppData\Roaming\Macromedia\Flash Player\#SharedObjects"

Windows XP:

"C:\Documents and Settings\%username%\Application Data\Macromedia\Flash Player\#SharedObjects"

7.) Close all browser windows for the changes to take effect, and then test your content again.
