March 2016

To All Participants of the Indiana Laborers Welfare Fund

Dear Participant:

The Trustees have amended the Plan to make the following changes:

**Effective March 15, 2016** the Plan had a change in Trustees. Trustee Edward T. Hazledine retired and was replaced by Mr. James McDonald.

**Effective March 21, 2016** the Plan had a change in Administrative Manager. Somer Taylor is now the Administrative Manager.

**Effective March 1, 2016**

Currently, when an Active employee does not work enough hours to maintain eligibility, the Plan allows continued coverage by making a Total Self-Payment for up to 2 consecutive Qualification Periods. If eligibility is not re-established based on hours worked, the employee can continue their coverage by making self-payments based on 40 hours per week at the current contribution rate.

This rule has changed effective March 1, 2016 to allow an Active disabled participant to stay on Total Self-Payments. A disabled participant is not required to switch to the 40 hours per week requirement. In order to qualify for the continuation of Total Self-Payments the participant must be unable to work due to a continuing injury or Sickness and must provide medical evidence satisfactory to the Board of Trustees of the continuing Disability.

This new change applies to Active Disabled Participants only and not to Retirees.

**Statement Regarding Status as a Grandfathered Health Plan**

This group health plan believes this Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive...
health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Fund Office at 1-800-962-3158. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

If you have any questions regarding these changes, please contact the Fund Office at 1-800-962-3158.

Sincerely yours,
Board of Trustees
