

*Dear All Saints Academy Families,*

*It is with great sadness that I am writing to inform you that I will no longer be working at All Saints Academy. I leave here with a heavy heart. When I accepted this position nine years ago I thought I was taking on a job but it turned out to be much more than that. It became a family.*

*Thank you for trusting me with your children. Each and every one has a special place in my heart. Your children taught me what life is all about beyond words can ever say. Cherish these moments. I did - watching them grow.*

*Please know that you, my friends and families, are like the stars - you don't always see them but know they are always there and that the most important things in life are felt with the heart not the hands. I have been truly blessed and very thankful.*

*Each and every one of you will always be 1 in a MINION to me!*

*Love,  
Mrs. Hughes*
