Cowboy Dressage® World Partner Event

Garn Walker 3-Day Clinic May 25, 26 & 27, 2018

It's About The "Why"

We are excited to present one of the founding partners of Cowboy Dressage World, instrumental in creating Cowboy Dressage as an all welcoming and all-inclusive program of foundational horsemanship, based on the principals of Soft Feel, Partnership and Harmony. Garn has been particularly involved in developing the "Youth Partnership on the Ground" and "Under Saddle" classes.

Merging his lifestyle with Cowboy Dressage was a natural transition, giving horses and riders the opportunity to learn from his 40 years of professional experience. Garn Walker is a lifelong horseman and has long been known for his ability to produce a perfect team, developing partnership between horse and rider in the Youth, Amateur and Ladies divisions.

3-Day Clinic Rider \$450 Clinic Auditor \$25 per day
