- 2. If it is an oversized vehicle that will not fit in the garage, it still must fit in a common area parking space without encroaching on to the common area.**
- 3. If you are a renter you must provide a copy of the lease that shows all registered owners are tenants.**
- 4. You must complete a resident information form.**
- 5. A garage inspection will be done to make sure the garage is not being used for anything other than parking vehicles.**

Passes will not be issued for second vehicle of a single resident. Commercial vehicles are prohibited.
