

The Michigan Norton Owners (MNO), founded in 1979, is a group of motorcycling enthusiasts welcoming members statewide and from adjoining areas.

Meetings are held on the last Sunday of every month (non-holiday weekend) at central locations. Meetings include club business and sharing technical info. Membership includes a club pin, and quarterly newsletter.

Club activities include MNO campout, Battle of the Brits, a Fall Color Ride, end of year Holiday Party and a variety of local vintage motorcycle events.

The Michigan Norton Owners is an AMA sanctioned organization and a Chapter of the INOA/USNOA. Norton ownership is not required, as we believe in promoting an appreciation of the Norton motorcycle for present and future owners alike. Technical advice and information readily available from members and through the INOA. Visitors are welcome at our general meetings and events.

Officers & Contact Info:

Dan Clark, President / 810-635-4969 / dmjlc@hotmail.com
