CRUSADER COMMUNICATIONS

I am so excited for the DeCampos Dinner this coming Friday! This will be a first for me and I can't wait to see everyone and the results of everyone's hard work. I want to especially thank Ali and Jake Robinson for spearheading this event. I know they have teams around them getting things done and I am so grateful for the love and service they give to our school. Thank you to Maria Husak who is always so helpful with the DeCampos Dinner.

On Monday be sure your child wears RED, WHITE, and BLUE for our spirit day!

On Monday we also begin STAR testing. STAR tests are done 4 times a year in math and reading. This data set is utilized by faculty and administration to see trends in student learning as well as address any gaps. Faculty look at data to also re-organize their class in groups so students learn at their level, wherever that may be.

DeCampos Reminders:

ALL donations, whether monetary or specific items are DUE on Monday the 12th.

SOLD and UNSOLD raffle tickets AND money are due on Wednesday the 14th.

COVID Protocols

COVID Protocols have not changed or been updated since last spring. The COVID taskforce at the Diocese of Fresno will meet in September so we hope to hear from them then. All of our COVID protocols come straight from the Diocese Taskforce who meets to go over state and CDC updates and then disperses what we have to do and enforce as principals. I continue to ask for updates due to state mandates and protocols being updated regularly. Protocols from last spring are as follows:

Changes Regarding COVID-19 Protocols- Effective March 14, 2022

With the mask mandate lifted, effective March 14th, the Diocese of Fresno has also outlined protocols that our schools do not need to continue doing with regards to COVID-19. They are as follows.

1. Students will no longer need to wear masks at any time on campus. Parents can continue having their children wear masks if desired. Please communicate this to your child.
2. Temperature checks will no longer be taken upon entry. If a student complains of not feeling well, we will temp check
3. Our staff no longer needs to contact trace, however, must keep all prior records of contact tracing saved for 3 years.
4. Our staff no longer needs to send notifications of COVID due to parents not being mandated to report to our office.
 - a. With this change I continue to stress: If you child is not feeling well, **KEEP THEM HOME.**
 - b. Anyone presenting with COVID symptoms will still be immediately sent home, as we did before.
5. If we are informed that a child has tested positive, they must stay home for 5 days AND be symptom free before returning to school
6. Family members who are in contact with a COVID positive person in their home, we ask that they do not come to campus for 5 days
7. Sanitization (fogging, extra cleaning, wiping desks, etc.) are still in place. We will continue to keep our proactive safety measures in place.
8. Unvaccinated teachers will still have to test once a week, as we have been doing.

Have a great week! ~ Ms. Manzo

From the VPs Desk

It has been a short but exciting week here on campus. Unfortunately, some of the sporting events this week have been canceled in an effort to keep our student-athletes safe. Thank you all for continuing to remind your students about safe practices during excessive heat. Remembering to take water and shade breaks during their time at recess and throughout the day is critical during these triple-digit temperatures.

It is hard to believe but DeCampos is already a week away! Don't forget to pick up your dinner tickets and continue to sell, sell, sell, raffle tickets! Wednesday, September 14th will be the last day to hand in raffle tickets. Any unsold tickets **MUST BE RETURNED** in order to avoid being charged. Because the DeCampos Dinner is Friday, September 16th, there will be no school. Teachers will utilize this time to grade and prepare lessons for their classes. It will be a fun-filled magical evening and I hope to see all of you there.

Have a blessed weekend,

Mr. Ramos
