

# Ski Trip Information

<b>Where:</b>	Hotel Alpechiara in Près Saint Didier <a href="http://www.hotelalpechiara.com/en/">www.hotelalpechiara.com/en/</a>
<b>When:</b>	<b>Sunday 10<sup>th</sup> March – Sunday 17<sup>th</sup> March, 2019</b> The trip <b>will not</b> be running during the February half-term break.
<b>Cost:</b>	The cost for this trip is 9,500 SR. We have tried to keep the cost as low as possible. Payment should be made in three instalments, <b>including a 1,000 SR deposit with the application form</b> , one of 4,500 SR and a final instalment of 4,000 SR.
<b>Travel arrangements:</b>	We will depart from Damman Airport. It will be your responsibility to get your child to the airport. We will give you all the flight details as soon as we confirm the bookings.
<b>Hotel arrangements:</b>	We will be staying at Hotel Alpechiara (***) in Près Saint Didier. It is only ten minutes from the main lift, provides hot breakfast and dinner. Pupils should expect to share with others of a similar age (in our group) in a 2-4 bed room. All rooms are en-suite.
<b>What is included in the cost?</b>	Flights, accommodation, ski/snowboard hire, hot lunch each day, 5-day lift pass, 4 hours tuition per day, full winter sports insurance including medical assistance.
<b>What is not included in the cost?</b>	Pupils will need their own ski-wear and helmet. Interski offer a very reasonable hire package and most parents opt for this (prices and ordering info to follow). Pupils may want to bring spending money. There is also a fee for the visa, if needed.
<b>Who is responsible for doing the visa (if needed)?</b>	It will be parents' responsibility to get the visa issued. Pupils over the age of 12 need to be fingerprinted for their Schengen Visa. While this process is fairly straightforward, you will need to liaise with an agent in Khobar. This process needs to be started in November, but I can provide all the paperwork needed. We also have a very good contact at the Italian embassy.
<b>How much skiing/snowboarding will there be?</b>	This will be a physically demanding trip. As well as the four hours per day of tuition, pupils will have organised activities each evening which they will be expected to attend. Pupils should expect to be weary at the end of each day, and will be expected to get up the next day with their aches and pains and do it all over again!
<b>What if my child has an accident?</b>	We will take all reasonable precautions to ensure pupil safety. However, please bear in mind skiing and snowboarding are classed as extreme sports by our insurance company, and there is an element of risk involved. Students will have full medical insurance (included in cost). The resort has a 'Resort Rescue' service with dedicated staff available at all times.
