DIOCESAN SEMI-FINALISTS

As a new team for a new sport each of these teams' players worked hard finding each of their roles. Even though there were only 8 players, they were committed to the program. There was great participation in practice and the games. As individuals, every player on the team had an impact in every game. There were many catches, touchdown passes, interceptions, and great runs by all of the players. There was great Sportsmanship by all the players. They worked hard, had fun, and had a great season! The team finished in 3rd place for the regular season, and made it to the Diocesan semi-final game. We're proud of the efforts and optimistic about next season!

The Pee Wee's roster had a wide age range and started out with at least half not knowing anything about football. They literally, and steadily, improved throughout the year starting with 2 losses where they struggled to be in the proper positions and had a lot of difficulty making "tackles," to an extremely well played playoff loss which ended on a perfectly executed "play action right - strong-side - flag pattern to the center" (and yes, I think most of our players can explain that to you) that we just missed tying the game! Our 6 players that will be moving up to play on the Bantam Team next year will need to do some physical and mental work during the off-season to be ready to compete, while our PeeWee team should have a bright future with 5 returning on age, and 3 who still have 2 or 3 years left at the PeeWee level!

This past season, the AMAA Cheer Team had 24 girls ranging from ages 4 to 12. While there were a few girls from last year, most were new. Our 'Veterans' from last year, really stepped up to help teach the newcomers the cheers and show them the ropes. The girls cheered for our basketball players, all divisions, sometimes 4 games in a weekend. Inclement weather didn't stop these girls from showing up and cheering them on. These girls were show stoppers! Samantha Shoule showing outstanding leadership, never missing a practice or a game and always helping out and showing everyone what needs to be done. Sarah Gonzalez with her dedication and drive, actually switching into her cheerleading uniform during one of her games and cheering her team into victory! Ruby Panepinto, coming in as a shy, quiet girl, but by the end of the season, she was leading her team in cheers. Ending the season with the CYO Cheer Showcase was a definite highlight and a perfect way to end the season. Coach Terri says, "Every girl on this team was an asset and it has been an honor and a pleasure to be their coach! Thank you to all of 'my girls' for making my first coaching experience one that I will treasure always."

The Intermediate Eagles were coming off of a strong showing last year, where they made it all the way to the Diocesan Final Four with a roster that consisted of mostly just 5 players throughout the season. This year, the returning veteran were joined by our 7th graders, Julie Cossin, Rachel Shonfeld, and Emma DiRado, softball star Alexan Varelas, and the big acquisition of 8th graders Stephanie Wu, Angie Lam, and Rebekah Kim who joined us because their previous team folded. With the addition of so

much talent to this team, we were optimistic about the season. Stephanie Wu stepped up as the back-up point card and of-
fensive catalyst as the shooting guard. Angie Lam provided team leadership at practice. Rachel Shonfeld provided points in the paint and aggressive defense. Julie Cossin, Emma DiRado, Rebekah Kim, and Alexan Varelas gave the team speed and tenacity on defense. While our new players worked hard to find their role, our veterans struggled to perform with the same intensity as last year, and the team struggled against teams that were new additions to the division. Captain Jenna Romano led my example with her commitment, leading her team to 6 victories this year; one against a very physical SSJA team, and one against long-time rivals, OLBS.

DIOCESAN DIVISION II SEMIFINALISTS

The 2016 Novice Girls Basketball team can be described in one word; Exciting! The team consisted of a great mix of returning players and some new players as well, but it didn't take long for the team to gel. The team started the season with four straight wins on their way to winning 9 games during the regular season. The team was led by veterans Kelly Gildea, Sarah Gonzalez, Claudia Lopez, Laura Moran, Jessie Cossin, Gianni Herrera and Maya Panepinto, who helped guide the team early in the season. That being said it didn't take long for the "rookies" to find their place on the team. Newcomers Katerina Sirakis, Liana Duncan, Janisa Wu, Lelaina Madrazo and Ellen Yu all had wonderful contributions to the team to help solidify what was

a great roster. The season was highlighted by some great wins against Our Lady of Hope and St. Mary Nativity/St Ann's, and getting the opportunity to play in the OLBS Holiday Basketball Tournament. The second half of the season was marked by some tough games and the start of the CYO playoffs. The playoffs saw the team pull out an exciting 13-11 win over Our Lady of Hope in the first round followed by a nail biting 11-9 loss to Mary Nativity St Ann's in the semi-finals. The girls improved as the season went along. They all learned the game, and had a great time playing together. We look forward to continuing success next season!

The Bantam Girls Basketball team had a highly successful campaign as they went 8-5 in the regular season of Division II. The girls also won The Peggy Boyle Post Season Basketball tournament Championship. Returning star Leilani Correa and newcomer Isabela Miranda were dominant scorers throughout the year who were fed the ball by point guard Katie Lam. Katie not only led the team at the point but along with guards Emily Chandler and Isabella Keilbach, played ferocious defense. Riya Thind improved immensely as the season went on and became a defensive stopper, rebounding specialist and scorer. Returning starter Lei Chen and rookie Eve Yang made a bunch of long range shots for the squad. One of the highlights of the season was when they had a rematch with Our Lady of Snows on their home court after being blown out in our gym by the same team earlier in the season. In a classic game that came down to the last seconds, our Eagles found a way to beat the powerful Snows team. Unfortunately, the Playoff seeding was not based on the standings and even though our team and Snows were most likely the best 2 teams we drew them in the first round of the playoffs. Although the girls fought hard and it was close until the 4th quarter we couldn't overcome foul trouble that took most of our scorers out of the game. Snows won that game and not surprisingly went on to win the Championship. This team had a bunch of kids that never quit and had great attitudes. They bounced back and won the first game of the Peggy Boyle Post Season Tournament in an amazing comeback in the final minutes. Then in the Championship game the team put in a dominant effort, controlling the game in a close but comfortable fashion. Way to go Eagles!

The boys have started to learn the basic skills and rules of the game. They are working on dribbling with both hands and protecting the ball, shooting, spreading out the offense and passing to each other, and playing defense without committing too many fouls. They've each shown improvement in their skills and understanding of the game. Keep it up boys!

Besides Vanessa and Alexandra Keilbach the team consisted of all new girls. Vanessa and Sophia Madrazo handled the point guard duties well getting the ball inside to Alexandra, Leoni Lyons and Rina Kim who were the main scorers. Isabella Milazzo, Hailey Richman, Emma Shoule and Maggie Gildea played tenacious defense all year long. All of the girls improved tremendously as the year progressed including Kinsey Saleh and Ellie Weprin and some of the younger girls like Anna Miranda and Kaitlyn and Victoria Tappy. The highlights of the year included Leoni, AKA Willis Reed, trying to inspire her teammates after hurting her foot in the OLBS tourney and coming off crutches to play. In the same tournament our girls fought valiantly in a double overtime loss to the home team. The other highlight to end the season was Hailey fighting among bigger girls and somehow getting an offensive rebound and then dishing it to Alexandra who hit the shot just as the clock expired as the crowd (and Coach Eric) went wild. It was a great way to finish the season for a group of girls who have a bright future!

This team is one that works together. Each of them understands their role. All of the boys have improved individually and as a team. Most of the boys have been together for three years and understand each other well. Coaches Mike and Patrick were very happy with them athletically, but most of all how they conducted themselves on the court. All of the boys were always gentlemen. The coaches were very happy with all the boys and their successful season.

This year the Sub-Novice Boys Eagles Basketball team had a very successful season. The boys made great strides in learning the game of basketball. Despite a large roster the boys all had the opportunity to play important minutes for the team. There is a great deal of talent among this team both on and off the court and we hope they took away many lessons including the true value of having good teammates and being a good teammate. There is a lot of potential for this group and we look forward to being part of their continued success.

Coach Mike and Coach Anthony said, "We start every season with the same three goals - improve as a team, improve as an individual and have fun (plus do well in school). Our basketball team also talked about trying to score a certain number of points each game. While we did not achieve that goal necessarily, we played strong defense and honed our rebounding skills which made some of the games pretty closely contested. Our team was selfless, often getting compliments on how well we passed the ball. If the boys spend a lot of time over the summer in the playground shooting the rock our potential next season will soar."

The Novice team saw returning veterans Maya Panepinto, Claudia Lopez, Gianni Herrera, Sarah Gonzalez, Joleen Montes, Anastasia Sutton, Monica Reilly and Isabella Keilbach trying to build on the success they earned last season. The veterans were given plenty of reinforcements this year with some new faces that brought a lot of talent to the team. Newcomers Kayla Vallejo, Jayla Threats, Liana Duncan, Lelaina Madrazo, and Anna Palmieri all made important contributions to the team throughout the season. The girls showed their talent all season with some great pitching from Kayla, Claudia and Sarah, outstanding fielding from Isabella, Anastasia and Lelaina, and strong hitting from Maya and Jayla. The returning girls along with the bright new talent formed a solid team that gave great effort every single game. Their effort was on display in a two day sweep of Sacred Heart. The first game was highlighted by Claudia Lopez's game winning hit in the bottom of the 5th inning and a 10 run first inning, and the next day, which saw Maya Panepinto hit 2 home runs in the same inning. The season gave the girls a chance to learn and grow while facing some very good teams. This experience will only help the team to grow and become stronger as they, themselves, become better.

DIOCESAN SEMI-FINALISTS

Spending their second year in the Intermediate Division, having made the playoffs as a 6th and 7th grade team last year, the team was looking for big successes this year. This season, our returning 7th and 8th graders were joined by four 6th graders and four new 8th graders who had never played softball before. While the 6th graders worked hard, learned the game, and earned a spot with the upperclassmen, only one of the 8th graders, Amanda Benavides, had the commitment and determination to able to rise to the challenge of learning a new sport and sticking with it. As for the 6th graders, Riya Thind's speed and intensity earned her a starting spot in a few games; Emily Chandler's defense came a long way, where she earned a couple of starts at 2nd base and contributed with big catches in the outfield; Isa Miranda impressed us all with her tremendous strength with a bat and arm in the field, and she stepped up to play 3rd base, outfield, and even spent some time behind the plate; and Magdalen "Junior" Saffian earned her spot in the infield, mostly at shortstop, and also as the team's second pitcher, and led the team in RBIs. Julie "Gator" Cossin led the team again both on the mound, and at the top of the batting order with the most runs scored and one of the highest batting averages of the team. Alexan Varelas came on strong the second half of the season, leading the team with a .695 batting average and an on base percentage to match, and stellar defense that made her the most valuable utility player, with versatility and expertise at shortstop, in the outfield, and as catcher. With a little shifting around on the field, the team's defense became one to fear, with veterans Jillian Ma moving to 3rd base, Sophia Mojica moving to the outfield, and Lydia Saffian moving to 1st base where she led the team in put-outs. Emma DiRado filled in as a utility player, seeing time in the outfield, using her strong arm on the left side of the infield, and becoming the team's last line of defense behind home plate. Veterans Julianne Leavy with her versatility, Shirley Tom with her defense, and Felicity Sutton with her high on-base percentage rounded out the team. The team was dearly missing Dalin Martin, one of last year's players who is currently in the hospital battling an autoimmune disease. The team's goal all season long was to "Win for Dalin." The team won their quarter-final game in exciting fashion against the higher-seeded St. Gregory's team, but lost in the Diocesan semi-finals to softball powerhouse Our Lady of Hope. With 7 of these girls returning to the Intermediate division next year, we are optimistic about next season!

AMAA athlete, Dalin Martin, is on the road to recovery! She thanks her Eagles family for their support and continued prayers. Stay strong, Dalin!

These girls helped to show the new girls the ropes and make them feel welcomed on the team. The veterans along with the newcomers, Gianna Letizia-Oliveria, Chase and Etana Keppel, Sophia Madrazo and Esme Ferreris helped to form a roster that was very competitive. The team learned and grew as the season went along and had a wonderful time making new friends! Led by some excellent pitching by Samantha Shoule and Alexandra Keilbach and some big hits by Edith Sutton and Sophia Madrazo the girls were able to give every team they played a run for their money. We had a great soccer season 2016! This year, the Eagles were able to play closer to their own age level, with the addition of a few players from Our Lady of the Snows. All of the girls learned the fundamentals of the sport. They had many victorious weekends. They were assertive, aggressive and motivated to win. With her speed and fierceness, Claudia Lopez was our scoring machine this season. Laura Moran, Jackie Regan & Sarah Gonzalez also had great shots on the field. Our rookies, Jayla and Emily, did an amazing job on the field but also as goalies. The best part of the season was to watching them progress, make new friends and have fun while playing the sport. This is the second year that this team has combined with Our Lady of the Snows players to give these boys a chance to play CYO soccer. 3-2-1 Eagles!! The post Chant is called out during the last game of the Season. The players are soaking wet. The sky is dark and menacing, and as coach Robby screams above the howling wind, "I can't hear you!" There is not one face without an ear to ear smile. This was the theme for the Eagles for the 2016 Season, we may not have won a single game but in true CYO Spirit, the boys Won by learning the virtues of sportsmanship, playing hard, and gaining knowledge of the game. From the first practice to the last game, players grew and learned more about Soccer and what rewards teamwork can bring. Coach James says, "I was so proud to see everyone coming to both games and practices. In the years I have been coaching Soccer, I often see a drop in attendance once Basketball starts. This was the first year that that no impact was felt once Basketball started! Additionally, I know some of the boys were are travel teams. They worked hard to show up to just about every Eagles Game/Practice. Thank you to all the Parents who worked hard to keep up with our Schedules. A Big thank you to Coach Robert Rodriguez, who not only took time from his busy School/Work Schedule but also helped to coach with an ACL Injury. And a special note of thanks to AnnMarie Cossin who recruited at least 4 boys to help our team."

Assistant Coach: Mike Shoule

The PeeWee Boys soccer team had a lot of new players and a new coach this year. They started the season with a lot of enthusiasm and energy and they finished on an even higher note. They boys practiced really hard and found their place within the team. At the end, you could see that all the boys saw each other as a team and that was reflected in the way they were playing; the difference between the first game of the season and the last was like night and day. Coach Carlos says, "This was my first experience as a coach and it was a wonderful experience. I am very proud of each and every one of my players; they showed great values and sportsmanship. God willing we will continue to practice and be better each day. Thank you to my kids for a wonderful season."

DIOCESAN SEMI-FINALISTS

Our PeeWee Red team had an exceptional Volleyball season! The girls worked well as a team and made it to the semi-final of the Diocesan playoffs. Olivia Krasovitsky, Alina Tsai, Gianni Herrera, Valerie Ye, and Leoni Lyons were great additions to the team. Sarah Gonzalez consistently served the ball over the net and returned some tough balls. With other veteran players Hailey Cohen, Claudia Lopez, and Rubi & Rina Kim, this made a great team of girls that worked hard and quickly picked up the sport and improved their skills as the season progressed. They had fun at practice, but were fierce competitors at games. This team has a lot of character and a lot of potential. After finishing the regular season tied for first place and then having a disappointing loss in the semifinals, this team will be back this year to claim that championship they missed out on this year. The Novice division better be ready to take on this team next year! *CYO Pre-Season Tournament

CYO DIOCESAN CHAMPIONS NOVICE DIVISION!!!!

What an exciting season for this team! Last year, our PeeWee team finished 18th out of 21. Even with practicing one hour, once a week, and often having to share the court, these girls worked hard, learned quick, and improved fast. They love to play volleyball. They have passion for the sport, and they have great teamwork, which propelled them into the championship this season. This year, the team had 5 return players, and 5 brand new volleyball players.

Alexa Ho and Katie Lam, were great team leaders, co-captains and MVPs of the team. Their consistently strong serves and beautiful ball returns made a big difference. Julia Raab, the Rookie of the year, started the season as brand new player, and worked very hard to earn her spot on the team. She became one of the most important players of this team, and Coach Randy said, "we wouldn't have gotten this far without her." Mia, Kelly, and Melissa improved greatly from last year, with consistent strong serves, and consistent ball receiving and returning, and are great team players exhibiting much sportsmanship. Liana, Ellen, and Kayla, who were all new to the team, started with no experience or volleyball skills, but later in the season served many ACEs, received and returned, and improved at lightning speed. Melina the leader of team spirit, started as practice player, just wanting to learn the sport and have fun with everyone. Her happy personality and improvement on the court inspired the whole team. Kelly, Alexa, Katie, and Melissa showed great commitment to the team, attending every game of the season. For the Diocesan Championship game, the Eagles faced the defending champions, Our Lady of Mount Carmel, and defeated in a dominating 2 sets. Coaches Randy and Hector would like to thank all the girls and parents for making this year a memorable year. "Without all of your help, we wouldn't be champion team," they said.

The Junior team had a lot of new players this season. We ran a lot of fun and creative drills for practice to develop teamwork. We competed in the matches but were not able to win against our more established opponents in the Junior division. Midway through the season we developed a Libero defensive specialist in Sabrina Chan. With our 3 graduating seniors Michelle Huang, Mona Jiang, and Waverly Chong moving on, the rest of the squad will have a good core going into next season. It was a fun filled season integrating our new players with the returning players on the team. Good luck to all in their volleyball careers!

From the start, our players were committed to a great season and improving their skill set. They instilled teamwork and hard work into each practice and game. The Intermediate Red Team had incredible highs and some lows throughout the season. All in all, the highs outweighed the lows and the team won hard fought matches against rivals including St Mel's, OL Snows, St Greg's, St Joseph's and others. The team veterans included Samantha Ho, one of the team's quiet, consistent leaders, Wei Chen with her overpowering serve, Valentina showing off her strong overhand serve, Megan

Leavy with her consistent bumping and setting and Sophia Tartaglione showed off her skills at the net using her height to block and find holes in the opponent's defense. Kristen Ho showed real courage battling back from a painful ankle injury to help the Eagles make the playoffs and win their first playoff match!! Angie Lam was a leader on the court, and she pushed her teammates to perform their best! She became a consistent, powerful server and strong player at the net finding openings and killing countless balls. New players showed marked improvement including Kathey Chen who became a force to reckon with during the tournament for Dalin! Shirley Tom, made tough plays and helped her team win points, especially in the tournament! The team finished strong, winning 1st place in the Snows Volley for a Cause Fundraiser Tournament. Everyone contributed and made their coaches and parents proud! A special thanks to our unofficial assistant coach Randy Lee, who shared her enthusiasm with us all. Hopefully, the players will continue their volleyball careers.

Coach Kerri's dedication to this team, living and working in Manhattan but taking the train to Bayside for an hour every week to run a practice, definitely reflected in the desire to improve in many of her players. "This was my first time coaching, and I'm glad it was for this great group of girls," said Kerri. Throughout the season, the Intermediate Black team showed tremendous growth, especially for a group of players who mostly hadn't played together, and even some who hadn't played competitive volleyball before. There were a lot of close sets and games where they demonstrated their hustle, determination, and talent against teams who have been playing together for years. Over the season, they improved their skills and communication, and as a result, became increasingly competitive. We're proud of all of their effort and growth. 1-2-3 Eagles!

This team consisted of an amazing group of girls that really came together as a team. Lei Chen was the clear leader on this team. Her serves were dominant and her volleying skills were unmatched. Returning starter Leilani Correa hustled all over the court and also helped lead the girls. The only other returning player from their team last year was Isabella Keilbach. Isabella went from having difficulty getting serves over last year to becoming one of the best servers on the team while her already quality bumping skills got even stronger. One of the rookies, Emily Chandler, showed amazing improvement in bumping and serving over the season and became the most consistent server by the end of the year. Isabela Miranda, another newcomer, was a dominant server at times and learned to harness her power when returning the ball. Rookies Riya Thind, Alina Masihuddin, and Jasmine Deonandan had great attitudes and showed great improvement. Aleesa Masihuddin and Laura Toriello stepped up and even though they are only 5th graders, and were welcomed on the team as contributors. Ilu Suarez was a fantastic mid season addition for the team who brought a tough serve and good volleying skills. The team competed in many close games throughout the season. In the Playoffs, the girls lost a heartbreaking 3 set match that came down to the final points against a combined team from St. Stan's and Our Lady of Hope. This tight knit group also competed in the Post Season Tournament to support Dalin Martin, and lost to Snows in another Classic match in which the server for Snows could not be stopped in a come from behind win for Snows. We were lucky enough to add Liana Duncan to the roster for this tournament as we needed an additional player. Liana played great, as did all the girls, in another 3 set exciting match against our Novice Eagles. Now that there are a bunch of girls with experience, this is a team with a bright future.

Head Coach: Eric Keilbach
Assistant Coach: Kara Keppel

The Peewee Black Volleyball team consisted of only 1st and 3rd graders playing in the 4th grade division so we knew it was going to be tough for these girls. Alexandra and Vanessa Keilbach improved tremendously after the experience of playing for Coach Randy last year. Alexandra's amazing serving led the way in the team's only win of the year against Immaculate Conception. Newcomers Etana and Chase Keppel were all over the court volleying and Chase's serving improved greatly from the start of the year. One of the highlights of the season was when Isabella Milazzo, Sam Shoule, Hailey Richman and Vanessa got their first serves of the season over the net for a point. Emma Shoule and the rest of the girls showed great improvement bumping the ball as the season progressed. One of the awesome things to witness was the vast improvement of the 1st graders, Julia Delimon, Esme Ferreris, Maggie Gildea and Anna Miranda. Just the fact that these girls were playing against 4th graders on the court was a sight to see. Although in a loss, the season ended in a promising way as this group of girls made a heroic comeback to win the second set of the playoff match. This extended one of the best 4th grade teams to a 3rd and deciding set. With all of this experience coming back next year, Coach Eric expects to have a great season in the Peewee division again!

CONGRATULATIONS

Help Needed – Volunteers for 2017-2018 Sports Year – Open Board Positions

Parents, Guardians, Friends,

The work involved in providing our low cost faith based sports program can only be sustained through the volunteer efforts of our Parents and Families. Our program has doubled the number of children participating and introduced three new sports over the last two years. Along with that growth we've had a growing need to get additional assistance in running the program and teams. In an effort to get the help we need, next year we will be introducing required volunteer hours with a monetary opt out option. With that below are a list of Board Positions we will need filled prior to opening registration for next year that would serve to fulfill your volunteer hours.

Please consider stepping in and assisting us- without the following board positions filled we will be unable to offer the further opportunity for our over 275 athletes to participate together as AMAA Eagles Athletes.

Open Board Positions

Fundraising Director - in charge of organizing a committee, planning fundraising events, setting goals, finding ways to raise money for our program, contact with the Rectory to secure dates for events, advertising in the church bulletin, etc. Reports to the President. (Projected 4-5 hours a month from August-June)

Facilities & Permits Manager - works to find gym time at local schools and applies for permits, applies to the parks department for field permits for soccer, baseball, and softball. Assures that we are using facilities properly and taking care of them when we are responsible for them. Reports to the President. (Projected 4-5 hours a month from August through June)

Uniform Manager - Will keep inventory on all sports uniforms. Will order new uniforms. Is responsible for planning the events for the distribution and collection of all uniforms. Will track uniform deposits and report them to the Treasurer. Reports to the President. (Projected 2-3 hours a month from August through June)

Equipment Manager - Will keep inventory on all sports and medical equipment. Will order new equipment. Is responsible for planning the events for the distribution and collection of all equipment with the coaches. Reports to the President. (Projected 2-3 hours a month from August through June)

Volunteer Coordinator - is responsible for making sure that every AMAA family volunteers hours of service. Helps the Fundraising Committee establish volunteers for fundraising events. Organizes volunteers schedule for gym duties during basketball & volleyball seasons. Helps find helpers for teams. Reports to both the PAR and President. (Projected 3-5 hours a month from August through June)

Each sport has its own Athletic Director...

Athletic Director An Athletic Director should be a person of good character who exemplifies Christian values, supports CYO's goals and philosophies and who will be sensitive to the needs of others. The Athletic Director (AD) is a specialist in a particular sport at the parish level. A parish may have an AD for each sport in which it has a participating team(s). The AD will oversee administrative details which insure a consistent and fair interpretation of CYO rules. His/her functions include:

- a. Participation in CYO committee meetings as requested by the PAR;
- b. Knowledge and understanding of all CYO Rules and Regulations;

- c. Knowledge of the rules of his/her particular sport;
- d. Assisting the moderator and PAR in the selection of coaches;
- e. Distribution to Coaches of schedules and other important communication received from CYO Staff
- f. Assuming the administrative duties of the PAR upon request.

Open Athletic Director Positions
