New DOE and EPA Rulings Impacting the HVAC Industry

Cost - \$50 per person
buffet lunch

*Sponsored thru the generosity of our
Industry Partner TRANE Technologies*

Major changes are coming to the HVAC industry in 2025. The EPA has new regulations on refrigerants that are intended to make the HVAC industry more sustainable. The rental and multi-family segment will see more of an impact that is beyond just equipment price increases.

Find out all you need to know to make the transition less disruptive.

Plus

- Installation of 2025 Chapter Leadership
- Member Milestone Recognition
- and special guest - IREM Region 2 RVP Nicole Loser, CPM

Chapter office - 412-563-0957
