We will meet them on the way and they were able to catch up with ; that made 6 Model T We proceeded on and went through Irene,Il, and then on to Flora Church rd.and several other fun country roads that I had reconnoitered and we ended up on the south side of Belvidere,Il. i missed a turn on an unmarked rd and we went into a subdivision near Chrysler plant and I finally found our way out to Rt 20 and on to Grandma's restaurant. Sixteen members enjoyed meals and after lunch, instead of usual Ice cream (the shop was not open due to Labor day) we split up and went separate ways home. JOKES, QUOTES and STUFF:

I got over my addiction to chocolate, marshmallows, and nuts. I won't lie, it was a rocky road.

I thought the dryer made my clothes shrink. Turns out it was the refrigerator.

I'd grow my own food if only I could find bacon seeds.

Losing weight doesn't seem to be working for me, so from now on I'm going to concentrate on getting taller.

Day 12 without chocolate...lost hearing in my left eye.

Some people are like clouds, once they disappear it's a beautiful day.

"dammit I'm mad" is "dammit I'm mad" spelled backward.

I don't have grey hair. I have wisdom-highlights.

They're Back! Those wonderful Church Bulletins! Thank God for the church ladies with typewriters. These sentences actually appeared in church bulletins or were announced at church services:

The Fasting & Prayer Conference includes meals.

Scouts are saving aluminum cans, bottles and other items to be recycled. Proceeds will be used to cripple children.

The sermon this morning: 'Jesus Walks on the Water'. The sermon tonight: 'Searching for Jesus'.

Ladies, don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands.

Don't let worry kill you off - let the Church help.

Miss Charlene Mason sang 'I will not pass this way again,' giving obvious pleasure to the congregation.

For those of you who have children and don't know it, we have a nursery downstairs.

Next Thursday there will be try-outs for the choir. They need all the help they can get.

Love English???

If teachers taught, why didn't preachers praught?

In what language do people recite at a play and play at a recital?

You have to marvel at the unique lunacy of a language in which your house can burn up as it burns down, in which you fill in a form by filling it out and in which, an alarm goes off by going on. You can slow up or slow down, and you can speed up but never speed down.

English was invented by people, not computers, and it reflects the creativity of the human race, which, of course, is not a race at all. That is why, when the stars are out, they are visible, but when the lights are out, they are invisible.
