Together We Are The Church

Christ Lutheran Church Newsletter

Aloha Kakou,

Let's "talk story" together this summer! About Christ Lutheran Church – or as I like to say, "The Communion of Saints (and Sinners) known as Christ Lutheran Church." Church is nothing more – and nothing less! – than people being together with each other and before/with God, revealed to us by the Holy Spirit as the crucified and risen Jesus.

What people do when they get together is eat, drink and talk. Oh, and wash up, hopefully before they eat and drink. And there you have it – baptism, communion and Word – talking story as people from just about every culture, faith and nation have done for centuries, if not millenia.

So, let's get together, wash up, eat and drink and talk story about the communion of saints called Christ Lutheran Church. Let's talk story about how we are with each other and with God. How we are with our friends and neighbors, near and far. What next steps we might take as the Spirit leads us. How we might find our way about in an increasingly fast-paced, complex and uncertain world. How we might love God and neighbor.

The Church Council is meeting for a few hours on July 13th to talk story. They did this last fall and some good things came of it, such as the Reconciling in Christ conversations that we've been having.

What if others of us got together in small groups of five to eight to do something similar – talk story about who we are, how we are, and next steps? We could meet in homes, at church or in restaurants. Wherever we clean up, dine and talk story.

The results could be interesting.

Let me know!

Blessings,
