

Greetings!

Well the month of January is officially over and we are now regularly hearing questions from past campers, “When is the camp letter coming out?” “What’s this summer’s show?” “What are the dates?” This mailing should answer those questions and more.

- 1.) The dates for this summer’s camp will be from Monday through Friday, **July 6th to the 24th** with the two show performances on **Saturday, July 25th** . Hopefully your calendar lines up perfectly with ours.
- 2.) The price this year will be \$975 for the entire three weeks – We are attempting to keep our prices down and well within those of other area camp programs. Expenses do rise, but we try hard to keep things reasonable and accessible.
- 3.) The staff leadership will remain basically the same with some changes in responsibilities:

Matt McLaughlin – Camp Director	Mady Burk – Show Director
Micah Mooney – Music Director	Will Liegel – Producer, Set/Costumes
Noelle Gambale - Stage Manager	

Our college teacher team has yet to be confirmed, but we hope to see many familiar faces from that group as well. What an amazing staff!

4.) All the fun stuff remains the same. Great elective courses, games and surprises, bring-in days, the elective demo, rec times, guests, elaborate show sets and costumes, the super facilities of Pennbrook Middle School, and our Apprentice program with its leadership opportunities, Talent Showcase, and NYC Theatre Trip. The best three weeks of any summer! The full camp price is only \$975 - with Apprentices at \$825.

5.) Now, the Summer Starlight Show - (drum roll...) This year it’s going to be an all-time favorite, **SEUSSICAL!!** Get ready to step into the Jungle of Nool and the Circus McGurkus! **Seussical** is a fantastical, high-energy musical adventure that weaves together Dr. Seuss’s most beloved characters—including Horton the Elephant, Gertrude McFuzz, and the mischievous Cat in the Hat. This show is a vibrant celebration of friendship, loyalty, and the power of imagination, teaching us all that "a person’s a person, no matter how small." Whether you are soaring through the stars with a Who or protecting a very special egg, this production offers a world of colorful costumes, catchy songs, and endless opportunities to shine on stage. We can't wait to see the "thinks" you'll think as we bring this whimsical story to life together!

This year we will be advertising our camp program in an expanded way, so we urge you to reserve your place soon. We can only take so many performers in a show, so you don’t want to be left out. Send in your registration form and a registration fee of \$100 will hold your space –with a \$50 discount if in before April 15th. Final payment for a T&K summer is not due until mid-June and can be done by check or, if desired, a credit card through the North Penn District.

As always, we are determined to make it the best one yet! And we promise that Seussical is going to be absolutely delightful.

Yours,
Matt McLaughlin and Noelle Gambale
