

## FAITHFULNESS

By John Lipinski

Think about your faithfulness, remember what you heard  
God fulfills His promises, so always keep your word

Our faith is truly meaningful, our destiny secure  
Trust in God, with all your heart, forever, fast and pure

Walk with Him, talk with Him, deliver what you say  
Remembering your faithfulness, each and ev'ry day

Worthy of enlightenment, He'll never quit on you  
Salvation has been guaranteed, your faith becomes the glue

Including God in everything, to Him alone we praise  
Faithfulness is confidence, thankfully we pray

Abide with Him, deflecting sin, seizing everyday  
Applying Holy faithfulness, His message steels our way

Walk with Him, talk to Him, deliver what you say  
Remembering your faithfulness, each and ev'ry day

Pray to Him, say to Him, His love has cleared the way  
Providing us with faithfulness, each and ev'ry day

Providing all our faithfulness, each and ev'ry day
