Livingston | Pointe Coupee  
St. Helena | Tangipahoa | Washington  
West Baton Rouge | West Feliciana

Jamie Setze, Executive Director

### **Mitigation Webinars on Substantially or Repetitively Damaged Properties**

*Free Webinars for Homeowners and Renters*

FEMA wants to help you with your recovery. Homeowners, renters and business owners may benefit by attending free webinars on a variety of topics targeted to aid survivors in their recovery from Hurricanes Laura, Delta, and Zeta.

#### **SECTION 1:**

##### **FEMA Mitigation funding webinars for local officials, state and federal staff, and groups interested in flood risk reduction.**

Many homeowners and business owners, must not only make repairs after a disaster, but also potentially elevate, relocate or demolish their home. Compliance to building codes and locally adopted NFIP regulations is a critical component when repairing or rebuilding. Mitigation funds can help break the cycle of repeat disaster and build resilient Louisiana communities. Upcoming webinars will take place 12/1 and 12/3.

Please share with interested colleagues and partners:

- *Mitigation Funding Overview for Substantially or Repetitively Damaged Properties*
- *FEMA's Flood Mitigation Assistance (FMA) Grants for Substantially or Repetitively Damaged Properties*
