In-Person

or

DCRC offers a variety of times and choices

Our teachers are native signers or highly trained allies of the Deaf community

Classes include both ASL Structure (vocabulary/grammar) and Deaf culture (Classes are intended as a basis for conversational communication with the deaf community—Hearing parents with deaf children, co-workers wanting to be more inclusive in the work setting, retail workers wanting to be engaged with their customers, ... The list goes on.

It also can help you on the road to becoming more diverse.

Language learning increases brain power!
