

## MOREHOUSE SCHOOL OF MEDICINE

*Tree Planting Ceremony  
in honor of the late U.S. Senator Arlen Specter of Pennsylvania  
2013*

SENATOR SPECTER WAS A CONSUMMATE CHAMPION OF JUSTICE AND WORKED TIRELESSLY THROUGHOUT HIS CAREER TO REDUCE HEALTH AND HEALTHCARE INEQUITIES. HE ALSO WORKED DILIGENTLY TO ENSURE THAT THERE WERE OPPORTUNITIES FOR INDIVIDUALS FROM MINORITY COMMUNITIES AND DISADVANTAGED BACKGROUNDS TO PURSUE A CAREER IN THE HEALTH PROFESSIONS.

MOREHOUSE SCHOOL OF MEDICINE CONTINUES TO BENEFIT FROM SENATOR SPECTER'S LEADERSHIP. DURING HIS TIME IN THE UNITED STATES SENATE, SENATOR SPECTER PLAYED A KEY ROLE IN PROVIDING FEDERAL FUNDING FOR MOREHOUSE SCHOOL OF MEDICINE'S NATIONAL CENTER FOR PRIMARY CARE, A NATIONALLY RENOWNED CENTER ADVANCING THE VALUE OF PRIMARY CARE HEALTH SERVICES.
