President's Report "My Turn" By Ward Sevila

What did I do to deserve this? Last weekend members of the club decided to have some fun at my expense and "roast me". What a surprise, I was totally clueless that this was going on. Of course many of you may have heard the story about my two sons doing surprise birthday parties for me to mark each of the last three decades. After the last surprise party Butch declared that I was so easy (clueless) that they would invite me to help plan the next one. Guess I need to wake up somewhere along the way. Anyway, thanks to all who had some part in putting this together, for attending, and even those who had some fun at my expense roasting me. Anyway, you weren't serious – were you? I appreciate the plaque with the AACA logo too that my grandson Michael painted. It is hanging in my garage now. I was very honored. And so now perhaps we have started a tradition – next!

April was a very eventful month with nearly something every weekend. And each one was a success and I thank all of you who came out and supported those events. We had a first ever cruise-in at Northumberland High School, Farm and Field Day; a "Welcome to Spring Cruise-in charity fundraiser at the Dairy Barn in Burgess with Dave and Cindy reporting approximately \$580 collected from participants, the Dairy Barn hosts, and local businesses Wildest Dreams, and the General Store; and of course the aforementioned cruise-in/roast at Bella's. And then May has started big with no less than 3 events on the first Saturday of the month – the AACA Eastern Meet in Virginia Beach, and two separate car shows, one at Bella's in Tappahannock and the other one at the VFW in Mechanicsville. Sherry informed me that club members attending the VFW event were Bob Taylor, Ted & Caitlin Thomas & Jeffrey Withers, and Dave & Cindy Franklin. Dave & Cindy Franklin took in \$98.00 for the Surrey Girls Raffle and Brent & Sherry Gatton, Harry & Kathy Harrison took in approximately \$250.00 for the NNAACA Raffle. Sherry presented a NNAACA a plaque to the VFW show chairman in appreciation for letting us sell raffle tickets. Ron Cook, Terry & Ester Minter, Bob Bagley, Bill & Connie Lewis participated at Bella's show. Flyers for our show were passed out at both shows and announced the car show on 105.5 Radio. Thanks you all for a great job.

May will continue with plenty of events and end with our annual car show on the 30th at Stan's Skateland and Dairy Freeze in Montross. I hope you're all getting geared up and ready for what should be another great show as we continue to grow in numbers of participants each year. But before that and in preparation for the show we have a judges training session at Brent's garage in Montross, this Saturday, May 9 at 10:00. And if it helps to get you there, Brent & Sherry will be serving hot coffee and donuts. I hope to see plenty of you there, as this will be a great opportunity to improve our show. It will also help those who wish to have their cars judged at

the show to understand what the judges will be looking for as they judge your car. I know I sound like a broken record here, but please contact Brent to volunteer to help with the show. The next weekend May 16 will be the Hughlett's Tavern/Rice's Hotel Tavern Car Show during the Heathsville Farmers Market. This is the same as the one they had in August last year and was very successful. We also outgunned the Northern Neck Corvette Club at this event with more cars than they presented. Let's do it again!

I am happy to report and welcome back Paul and Joann Courtney to our region. As I mentioned in last month's article, they have both had some tuff times recently but have decided to rejoin our club. We sincerely hope that that things are getting better for you and look forward to seeing you soon at one of the upcoming events. Please let us know if there is anything you need or in some way we might help you.

Last month we attempted a final vote on the club by-laws but were unable to due to the fact a number of members present said that had not received a copy. We have since mailed those members a copy and will again attempt a final vote. Please come to the meeting Thursday, May 14th so we can get this thing done once and for all. See you there.

Car Show & Raffle

Crew

The next car club meeting is May 14th. where the Car Show duty sheet & flyers will be on hand. Please everyone get signed up & also, please pick up show flyers to put in businesses and elsewhere to advertise our event that is coming up fast on May 30th. There will be a Judges class at my shop in Montross on May 9th 10:00 a.m. And, those of you who have raffle tickets & money to turn in, please do so by the May 14th meeting. Thank you and I appreciate everyone's help. Any questions regarding the car show, call Brent Gatton (Car Show Chairman) 804-493-8656. Questions regarding the raffle sales, call Sherry Gatton 804-493-8657.

Minutes By: Caitlin Thomas

Member News:

Ward commented that there was a great turnout for the play "Life with Father". He said everyone had an enjoyable time at the play and at the dinner afterward. He thanked Mae Lynn for organizing the play and Sherry for dinner reservations at Lowery's. He mentioned the "Fantastics" as the next play. Ward said that Kathy and Harry Harrison have had family problems. Kathy lost her sister. Harry's mom has been sick, but is doing better. Kathy's brother has been ill but returned home today after two weeks. Earl Beauchamp is doing well with routine checkups. Jackie Dawson is under the weather with back problems. Gene Brooks had hip replacement surgery. Former members, Paul and Joanne Courtney were mentioned. Paul's mother had lost her battle with cancer and was buried Wednesday. Joanne had a second surgery on her back. Harry Incoe is scheduled to have surgery this month. Minutes in the newsletter were approved. Treasurer's report was read and approved.

Old Business

The revised By-Laws were not received by all members. Dwayne moved to delay the vote on the by-laws until the next meeting. Mae Lynn seconded the motion. Motion was approved. Dwayne will e-mail the By-Laws to all members. Surrey Girls charity – The charity fundraiser will be at T&J's Dairy barn on April 18th. The family has been working with Mercedes of Richmond to provide the van for \$60,000.00.

The Sock Hop is on hold for now.

Car Club Show – Members are collecting donations and are selling ads. There will be training for judges. The goal is to have a captain for each class.

NHS Farm & Field Day – This will be a charity event to raise funds for children's school supplies.

New Business

It was agreed that we should register the newsletter for the AACA national competition.

Peyton announced that they would not be able to host the annual club picnic at his farm this year. We will make a decision on where we can hold the club picnic at next month's meeting.

Kathy Harrison announced an event that will be held on September 13th from 10-3 at the Howerton's Baptist Church on Essex Mill Road. Harry added that there would be plenty of free food.

Ward announced the Hewlett's Tavern Car Show on May 16th in Heathsville. Also, the Tidewater Eastern division spring Meet on April 30 – May 2nd in Virginia Beach. Several members plan to attend. He mentioned the bus trip to Appomattox and Bedford which was in the newsletter. There will be a car show at Bella's in Tappahannock on May 2nd. Several members will be selling raffle tickets at the VFW Car Show in Mechanicsville on May 2nd.

Ward discussed an article he found in the Chesapeake

Bulletin concerning how their club was proposing to perform audits of club financial accounts. Suggested we adopt a similar approach.

Pat Given won the 50/50.

Pat and Gordon Given donated the 50/50 money to the Surry Girls charity.

FOR SALE

1929 Model A Ford Tudor Sedan

This car has been in my family since the 60's. It had a frame off restoration in the mid 80's. The car was from North Dakota and was an excellent almost rust free car. It runs and drives good, but it has a rear main oil leak. Car is Black with a Gray LeBaron Bonney Interior in excellent condition. It has a small paint blister on the right front fender. This is an early production 1929, so it has a power house generator and drum style tail light. Includes extra parts and a rebuilt short block. \$13,500 or best offer. Contact Brent Gatton 804-493-8656 (shop) or 410-231-8321 (cell).

Northern Neckers Invade Pennsylvania

April 16 & 17 Cathie & I travelled with the likes of Bob & Gloria Sydnor and Peyton & Mae Lynn Guest to Lancaster, Pa to the Site and Sound Theater to see Moses. If you have never seen this theater it is a must for your bucket list. The building is immense and the show was fantastic. We thoroughly enjoyed it. We then made a short trip to Hershey to see the AACA Museum. All I can say is wow, first rate and I'm very proud to know we are a part of the organization that put this together. The exhibits are impressive and of Smithsonian quality and in fact, one of the docents there said that the museum does have an relationship with the Smithsonian Museum although no funds. Again, if you have not been here you need to plan a visit someday. Cathie & I truly enjoyed the new sites but enjoyed the company of the Sydnors and the Guests the most. And thank you Mae Lynn for being our very capable and safe bus driver.

Northumberland High School Farm & Field Day
Saturday, April 25

This article is taken from the article appearing in the local papers recently

The Northern Neck Region was invited by event organizer Lee McKenzie, English Teacher and Yearbook Advisor to participate in this year's Farm & Field Day at NHS. Twelve members, Al

Kincinski, Bob Taylor, Samuel Townsend, Bill & Connie Lewis, Bill McBride, Earl & Judy Beauchamp, and Butch, Michael, Cathie and Ward Sevilla braved a very chilly spring day to display their antique cars and support the charity event. This event marked the annual opening of the Practical Assessment Exploration System (PAES)

Not too cold for some home made ice cream

greenhouse and has evolved into a larger fundraising event that will help support not only the Northumberland High School PAES Greenhouse program, but also the NHS yearbook and the NHS literary magazine (both student publications). There were many vendors with plenty of crafts, farm animals (some for sale), tractors, fire fighting equipment, and great food including barbeque and home made ice cream on hand.

Among the spectators who came out for the event was 10-year-old Joshua Crowell with his guardian, Ed Boodad Rice. Joshua was one of the most car knowledgeable young men I have met and preceded to talk about all the interesting points and details of the 50s and 60s automobiles. He is especially a fan of Chevys and in particular Corvettes. He declared that he would own one some day and was ready to buy mine on the spot. Josh is certainly proof that the old car hobby will continue in the future and we look forward to him as a member of our Region some day.

T&J's Dairy Barn Welcome to Spring Cruise In and Charity Fundraiser To Benefit the Surrey Girls Charity April 18th, 2015

The club sponsored a “Welcome to Spring Cruise-In and Charity Fundraiser “to support the Surry Girls who are suffering from the effects of Batten disease. The charity fundraiser was established to help the family purchase a specially equipped van capable of handling two wheelchairs, medical equipment, and attendants. Dave and Cindy Franklin who are committee co-chairs reported that \$580.00 was collected from participants, as well from the Dairy Barn hosts, and local businesses Wildest Dreams, and the General Store who donated a portion of their proceeds for the day. A plaque was presented to Tom and Jill White of the dairy Barn in appreciation for their support. The Whites picked Ron Cook’s beautiful 1940 Ford as their best car at the cruise-in and presented Ron a trophy. A big thanks goes out to Creative Visions (Sherry Gatton) who donated the plaque and trophy.

Check out the cow on the bottom of the trophy!

Car Club Appreciation/Roast of Ward Sevila April 26th 2015

It was with great pleasure that our monthly club cruise-in was hi-jacked to show our appreciation of Ward Sevila's Presidency with a club toast. Peyton lead off with a tale about having to adopt the young man as part of his dysfunctional family. He added that Ward fit right in. Peyton also added that without Cathie Sevila Ward would never be able to find anything in his home. Mae Lynn said some very nice things about Ward. Wayne reminded Ward that he had not entered the technology world just yet. Wayne continued with tales which we won't print here. Ward's son Butch wasn't as easy and proceeded to tell childhood stories and the fact that he felt for his mom all of these years. As the stories kept coming, Ward was smiling ear to ear. The highlight was the presentation of a handmade plaque from his grandson Michael to his granddad. We're sure that the plaque is hanging on the wall at Ward's home, if he hasn't already lost it, the plaque that is! Oh by the way, can anyone guess who arrived late to the roast? A big thanks goes out to Bob Sydnor who contacted everyone about the roast and kept it a secret from Ward.

Peyton Guest shares some words of wisdom.

Mae Lynn Guest delivers compliments of Ward.

Wayne Burgess shares many stories of Ward.

Ward is admiring his dream car.

Ward's grandson Michael with his father Butch.

Ward's grandson made this plaque for his grandfather.

New Hagerty Usage and Mileage Program

Vehicles insured in our program must be used on a limited basis consistent with the operation of something valuable, such as club functions, exhibitions, organized meets, tours and limited pleasure driving. Hagerty has no strict mileage limitation for collector vehicles used in this manner. We want customers to feel comfortable driving their collector cars on a limited basis without watching the odometer. Limited use does NOT mean that vehicles will be used for normal or backup daily transportation, such as driving to and from work, or school, or for daily errands. We will not insure vehicles used for high-speed racing, or high-speed rallying, or for the commercial transportation of goods and passengers (such as rentals, commercial hauling, etc.).
