Based Upon Dogmatic Beliefs

Harmonized with, due to Knowledge & Understanding

Complied with, due to Fear of Punishment

Universal; exists and applies anywhere in the Universe regardless of location

Differs with location based upon the whim of legislators  
(Moral Relativism)

Eternal and Immutable; exists and applies for as long as the Universe exists, and cannot be changed

Changes with time based upon the whim of legislators

Everything is backwards. Everything is upside down. **Doctors destroy health, lawyers destroy justice, universities destroy knowledge, governments destroy freedom, the major media destroy information and religion destroys spirituality.**

## THE MARCH of TYRANNY

BEN GARRISON

The oppression of government is built from a foundation of obedience.

Remove the obedience and you are free from oppression. Question authority.

Medicine is

Medicine is sick care.  
It's time we see it

# I Love You

*You cannot be denied anything that is perfect, whole, complete, and right for you when you are your Self first. Being your Self first you automatically experience perfection in the way of Divine Thoughts, Words, Deeds, and Actions. Allowing your toxic thoughts to be first, you automatically experience imperfection in the way of disease, confusion, resentment, depression, judgment, and poverty.*

May you be happy.  
May you live in peace.  
May you walk in all the ways that bring blessings.  
May you know true love.  
May all things work together, for good, for you.

May I be happy.  
May I live in peace.  
May I walk in the ways that bring blessings.  
May I know true love.  
May I walk in the way that all good things happen with me and to me.  
May all things work together for good in my life.

May we all be happy.  
May we all live in peace.  
May we all walk in ways that bring blessings.  
May we all know true love.  
May we all know good things happening in our lives.  
May all things work together for good in our lives.

### Truth and Frequency of Perceptions

More info? [evolveconsciousness.org](http://evolveconsciousness.org)

A Higher Frequency of contact or alignment of Perceptions with quality Truth, what 'is', and a Care to embody and become those values (what is right, good, true, moral, etc.), results in greater embodiment of Truth and a Higher Frequency of Consciousness.

Limited perception of reality, is limited access to Truth, is limited unity and embodiment of Truth, is limited Consciousness.

An aspect of Truth (variability, multiplicity, diversity of what 'is' in reality true), contacted, attained, aligned with, or embodied by the frequency.

Plane of Truth

Frequencies of Perceptions aligning with Truth  
Frequencies of Consciousness from greater embodiment of Truth

At the end of each day before you close your eyes, be content with what you've done, be *grateful* for what you have and be proud of who you are.

The best things in life aren't things

The biggest lie ever told is that the 'Devil' doesn't exist. The next biggest lie is that people are powerless therefore helpless.

We are all born FREE on Our Planet

And Yet.....

- People cannot move around freely.
- People cannot live where they choose to live.
- People are hungry and homeless when there is abundance everywhere.
- We see rules and laws that we did not agree to when we were born.
- We must work to pay taxes and to earn this thing called money. We didn't agree to that either when we were born.
- We didn't agree to be given a number and be treated like a corporation. We are living, breathing, human beings. We are not numbers.
- The restrictions on humanity are endless right now.

If it's not good for everyone  
...it's NO good at all.

Why do We have to pay to live on the Planet on which we  
were born?

Make no mistake about it, enlightenment is a destructive process, it has nothing to do with becoming better or being happier. Enlightenment is the crumbling away of untruth. It's seeing through the facade of pretense. It's the complete eradication of everything imagined to be true.
