

SECTION 00 11 13

ADVERTISEMENT FOR BIDS

Sealed Bids for debris removal from Oronto and Parker Creek at Saxon Harbor in Iron County, Wisconsin will be received by Iron County Forestry and Parks Departments, at the Office of the Iron County Forestry Administrator, 607 3rd Ave N, Suite 2, Hurley, WI 54534, until 2:00 PM, local time on Thursday, February 1, 2018, at which time the Bids received will be publicly opened and read. The Project consists of excavating an estimated 6,000 cubic yards of debris from within the Oronto and Parker Creek channels. Debris consists primarily of a mix of stone, sand, silt, clay, and timber deposited in the creeks as a result of the July 2016 flood event. Work will include reconstructing a section of streambank requiring an estimated 1,660 cubic yards of fill. Work will also include installation of riprap bank protection throughout the project area. This work will be performed in coordination with a state contractor who will be performing similar debris removal work within the adjacent upstream stretch of Oronto Creek. Debris removal work within the channels will be performed during the late-winter months of 2018 and completed by April 30, 2018. Contractor will have until June 29, 2018 to complete bank protection and restoration work.

Bids will be received for a single prime Contract. Bids shall be on unit price basis, with additive optional bid items as indicated in the Bid Form.
