

親愛的家長：

您好！

開學第一課，我們又見面了！在簡單的自我介紹之後，我們聊了會兒暑期生活以及理想，接著我們開始了第一課的學習。

It is great to see you guys! We all introduced ourselves and shared our summer holidays and dreams about future. After that, we started to learn the new words in lesson 1.

作業如下：

1抄寫第一課生詞（1-10），每個單詞抄寫一行 Copy the new words (1-10) in lesson 1

2複習第一課生詞（1-10），下週測試 Study the words（1-10）and prepare for the test next week

3熟練朗讀第一課課文 Read the text in lesson 1 fluently

最後，請您再次提醒您的孩子上課時一直打開攝像頭，以便更好教學。祝您節日快樂！

Please make sure that your child turn on the camera so that we have better interaction with each other. Thank you! Happy Labor Day!
