

# HAYFIELD FARM SWIM CLUB

## Summer is here!

Welcome to our returning and new members for the 2024 season! Opening day is Saturday, May 18, 2024

## Social Events

The social committee is busy working on our 2024 events. Look for more info on our Facebook page throughout the season:

If you are interested in helping with organizing our social events, please email

[pres-vp@hayfieldpool.com](mailto:pres-vp@hayfieldpool.com).

Any current shareholder or leaser is welcome to join the Social Committee and the help is greatly appreciated!

## Pool Rules

Check out the pool rules on our website, [www.hayfieldpool.com](http://www.hayfieldpool.com), or in person at the front desk when you check in this summer!

## The President's Corner

Lew Blocker, HFSC President

With Saturday 05/18/24 (opening day) just around the corner, we are excited to begin another pool season. I want to take this time to thank my follow Board members; it is because of these volunteers that the Hayfield Farm Swim Club is such an awesome place to spend the summer.

Our Board is made up of 9 members: President, Vice President, Treasurer, Secretary, Membership, Facilities, Operations, Swim/Dive Team and Social. The Board meets monthly all through the year dedicating hundreds of hours each. I couldn't be luckier and am very grateful for each and every one of these volunteers!

## Pool Cleanup Day - May 4, 9am-2pm

Please join us for our annual pool cleanup day on May 4. It takes a lot of work and many hands to get the pool ready for opening day! The larger the turnout, the quicker we get the job done.

Volunteer a minimum of 2 hours at cleanup day and you will receive 5 guest passes good for the 2024 swim season (limit 5 passes per family, must have paid 2024 HFSC dues or obtained a lease for 2024). In order for you to receive the guest passes, you must sign in and out at the sign up table. The table will be located near the gate next to the snack bar area.

In past years, we have been able to end by 1pm. In order to qualify for the complimentary guest passes, please plan to arrive in plenty of time to get the minimum 2 hours of time recorded.

# SWIM & DIVE TEAM UPDATES

The Hayfield Farm Swim and Dive Teams are back and competing in the Northern Virginia Swim League (NVSL), Division 14 for Swim Team and Division 4 for Dive Team. Memories will be made filled with fun, friendship, athletic development, and team building!

This year we welcome our new Head Swim Coach, Brett Eanes and new Head Dive Coach, Fin Belt. They each bring experience and enthusiasm and are excited to work with our swimmers and divers, bringing fresh ideas to our program. Our team begins after school practices on Monday, May 20th and then switches to morning practices on Monday, June 17th. Many of our team members have conflicting activities, so don't worry if you cannot make all of the practices. We will have competitive "A" and developmental "B" meets this summer for swim. Swimmers and divers must be registered before starting practice and be current members or leaseholders for the 2024 season.

All new swimmers need an evaluation.

**We do have a new team suit this year for both swim and dive.** This will be the team suit for '24 and '25. There is no obligation to buy a new suit. Swimmers and divers may wear previous team suits for meets. To purchase a new one, you have several options. The team suit sale at the pool is scheduled for Thursday, May 23rd, from 4-7 or suits can be purchased online at our [Swim Outlet team store](#) or by visiting Sports Fair in Arlington. Just let them know you're with Hayfield Farm. Additionally on Wednesday, May 22 from 5:30-6:30pm, the Hayfield Farm Swim & Dive team will be hosting its Annual \*Used\* Swimsuit Sale, during which families can buy \*gently used\* practice suits, summer competition suits, and practice fins. Suits at the \*Used\* suit sale may be limited as availability will be based on the donations received.

HFSC also has a pre-swim team program called Mini Hawks. This program is geared towards swimmers who are not quite ready for competitive swimming but are interested in the team in the future. Unlike swimming lessons, we focus on skills such as streamlining, starting dives and stroke technique. To register for Mini Hawks, swimmers must be 4 years old as of June 1, 2024. All new Mini Hawks must be evaluated before they are registered. Please check the website for more information about having your Mini Hawk swimmer evaluated.

Registration and more information on the swim and dive teams can be found on the team website: <https://seahawks.swimtopia.com>. Swim and Dive Team registration opens on April 14th. The website is updated throughout the season, so please check often for current information.

If you need additional information, please contact our team representatives: Megan Eanes and Jamie Fobert (swim team reps) at [hayfieldswim@gmail.com](mailto:hayfieldswim@gmail.com) Susanna Butler and Sherri Peters (dive team reps) at [hayfelddive@gmail.com](mailto:hayfelddive@gmail.com)

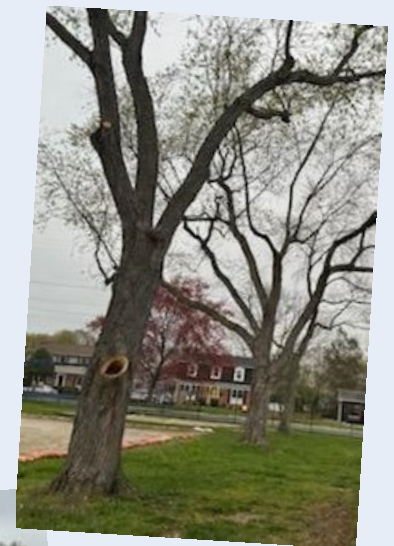

# NEW & IMPROVED!

The Hayfield Farm Swim Club has undergone significant capital improvements aimed at enhancing the facilities and amenities. These upgrades include:

- Installation of a new epoxy floor in the clubhouse, providing a durable surface for members to enjoy for years to come
- Cosmetic upgrades made to the guard office and the two locker rooms, revitalizing their appearance and ensuring a welcoming atmosphere for visitors
- Tree trimming, enhancing both the aesthetics and safety of the grounds
- New deck chairs, providing comfortable seating for lounging by the pool

Arguably the most noteworthy update is the construction of a modern deck pavilion, replacing the pavilion by the baby pool. This new structure will serve as a focal point for social gatherings and events, offering members a stylish and functional space to enjoy outdoor activities.

These capital improvements collectively aim to elevate the overall experience at the Hayfield Farm Swim Club, providing members with enhanced facilities and amenities for their enjoyment and relaxation.
