Corky's earns Angie's List Super Service Award 2016

The award reflects Corky's consistently high-level of customer service.

San Diego, CA, Feb 1, 2017 – Corky's Pest Control has earned the home service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of customer service to members of the local services marketplace and consumer review site in 2016.

This achievement is particularly significant as Angie's List experienced unprecedented member growth in 2016. More than 1.6 million consumers, many of whom were eager to quickly hire highly qualified service pros, joined Angie's List after the company added a new, free membership tier.

"Companies that can meet higher demands without missing a beat in their exemplary performance standards truly do stand apart from their peers," said Angie's List Founder Angie Hicks. "Only a fraction of the pest control service companies in San Diego companies were able to do it."

Angie's List Super Service Award 2016 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade. The SSA winners must also be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

"We are happy to be celebrating 50 years of business in Southern California. This couldn't have been achieved without our satisfied customers. It's great to be recognized for the third consecutive year in a row for our exemplary service," said Corky's Pest Control Founder Corky Mizer.
