

TXTCA is proud to partner with the **5th Annual Adapt and Overcome
Charity Catfish Tournament.**

We will be supporting the event by tagging and releasing all fish over 10lbs. We will also be offering some bonus prizes for any LIVE tagged catfish that are weighed in during the event.

May 4-5, 2018

April Plaza Marina, Lake Conroe

PROTECT TROPHY CATFISH
WWW.TXTCA.ORG

Trophy Catfish located in Texas are declining in numbers and need to be protected to preserve.

Through use of practices such as Catch Photo Release, we are able to preserve these Magnificent Catfish for our children.

Through educating the industry and encouraging action, we hope to improve regulations.

PROTECT TROPHY CATFISH
THROUGH PRACTICING CATCH PHOTO RELEASE

“ The Texas Trophy Catfish Association was established to improve regulations to protect Trophy Catfish on Texas waters through spreading awareness, educating the fishing community, and encouraging action within the industry and practice of Catch Photo Release. **”**
