### Q14 Do you have any comments, thoughts, or concerns about site administration?

1	We don't have enough planning time	
2	Chipman is wonderful! Shout out to all Chipman Charger Staff! We are the BEST! The leadership, teachers, and all staff are supportive, welcoming, and provide clear communication. It is a joy to work here, and I am uber thankful that I go home each day ready to spend quality time with my family without stress on my mind. It's obvious that administration holds staff as a priority, with student success at the heart of everything we do (academically, socially, and emotionally). The area for growth is surrounding the creation of solid, effective school-wide systems that will be long-lasting. For example, continuing the work around the MTSS process for tier 1 and 2 academic and behavioral supports, especially focused around the identification, service delivery, follow-up, and graduation from tier 2 intervention supports.	
3	Our site administration is wonderful! They work very hard at ensuring our staff and students feel supported. They listen when things are voiced and make us all feel like a team.
