A microburst hit the Townsend Road well field. Well 1 is out of commission. The fence was damaged and needs replacement/repair. A substantial amount of tree removal was necessary and clean up is still underway. The siding on the garage was damaged. We are working with the insurance company on a claim to cover damages and arrangements for inspections and repairs are underway.

There was some discussion about cleaning the Town Forest Well in 2021.

As there was no further business, a motion was made and seconded to adjourn the meeting @ 8:32 p.m.

Respectfully Submitted,
