

Reminder – Cemetery Decorations

All winter decorations must be removed from the Newark Cemetery and East Newark Cemetery before April 1st.

Cemetery personnel will begin removing out-of-season decorations starting April 15th. The Village of Newark is not responsible for damage or loss of any decoration, pot, urn or any other items placed in the cemeteries.

NO NEW DECORATIONS ARE TO BE PLACED FROM APRIL 1 TO APRIL 15. This will allow Village to clean up the cemeteries for the spring season.

If you have any questions, please call (315) 331-6199, or you can visit the website at www.villageofnewark.com.

Thank you for your cooperation.
