MF733Cdw / MF731Cdw

Multifunction, Color, Wireless Laser Printer

## REVOLUTIONIZE TODAY'S WORKSPACE

- **Includes Three-Year Limited Warranty** supported by Canon's U.S. Based Service Support Network.
- **Easily connect** your mobile devices without a router using Wi-Fi® Direct Connection.
- Print at speeds of up to **28 pages per minute**,\* with your first print in your hands in 9 seconds or less.\*\*
- **Single-Pass, two-sided scan**—scans both sides of your document in a single pass. (MF733Cdw only)
- **V² (Vivid and Vibrant) Color Technology** produces high-quality prints by increasing image sharpness and color vibrancy.
- Print on-the-go with **Canon PRINT Business**,† **Mopria™ Print Service**,†† **Apple® AirPrint®**,††† and **Google Cloud Print™**.^
- **QR Code Connection** allows you to easily pair your mobile device using the Canon PRINT Business app.†
- Navigate through all the features with the user-friendly, 5-inch, **Color Touch LCD Panel**.
- **Eco-conscious, two-sided printing** saves paper and related cost.
- Easily print from, and scan to, your **USB flash drive** in JPEG, TIFF, and PDF formats.
- Touch and Print with **Near Field Communication (NFC™)** using your compatible mobile Android device. (MF733Cdw only)
- Generous, **expandable paper capacity** allows for up to 850 sheets.\*\*\*
- **Low energy consumption**; uses less than 1 W in Sleep, Energy Saver Mode.
- **Hi-Capacity Toner Options** keep up with your printing needs and limit toner replacement interruptions.

Note: See back page for disclaimers.

# ADVANCED TECHNOLOGIES FOR YOUR OFFICE

## Speed and Versatility

The MF733Cdw/MF731Cdw models deliver high-speed, color and black-and-white output up to 28 ppm\* to help keep your business running. With a generous paper capacity of up to 850 sheets<sup>\*\*\*</sup> and high-capacity toner options, the MF733Cdw/MF731Cdw gives your business the efficiency and support it deserves.

## Print On-the-Go

Print a variety of file types, Web pages, and images on-the-go with **Canon PRINT Business**,<sup>†</sup> **Mopria™ Print Service**,<sup>††</sup> **Apple® AirPrint®**,<sup>†††</sup> and **Google Cloud Print™**<sup>™™</sup> using your compatible mobile device. You can also scan hard-copy originals using Canon PRINT Business. For more information on Canon supported apps and compatibility, please visit <https://www.usa.canon.com/mobile-app>.

## NFC Capability

Near Field Communication (NFC<sup>^^</sup>) allows you to easily "touch and print" to the MF733Cdw using your compatible mobile Android device.

## Color Touch LCD Panel

The intuitive, customizable, 5-inch, Color Touch LCD Panel allows you to easily navigate through the menu. The wide-screen display is user friendly, helping you to complete tasks more quickly.

## Service and Support

When it comes to support for your business, value and quality are top priority. Your business requires a strong commitment to reliability and peace of mind that comes from top-level expertise and pride in delivering complete customer satisfaction. From cutting-edge technology to industry-leading response times, Canon U.S.A. takes pride in delivering complete customer satisfaction. Canon's award-winning, 100% U.S.-based friendly and knowledgeable Customer Service Team provides expert assistance for every level of experience. The MF733Cdw/MF731Cdw comes with a three-year limited warranty, giving you the support, peace of mind and value your business thrives on.

## GENUINE Toner Cartridges

Designed by Canon engineers and manufactured in Canon facilities, GENUINE supplies are developed using precise specifications, so you can be confident that your Canon device will produce high-quality results consistently. The MF733Cdw/MF731Cdw models offer Hi-Capacity toner options that keep up with your busy printing needs, so you have less replacement efforts and more time for printing. The Canon S-Toner produces a highly detailed toner image, helps ensure a precise transfer performance, and eliminates the need to use oil during fixing. The Single-Cartridge System combines the toner and drum into the same unit, which means you only have one consumable to replace.

## Image Quality

Achieve high-quality printing and sharp, vibrant colors with **V<sup>2</sup> (Vivid and Vibrant) Color Technology**. This technology expands the color gamut of dark areas and shadows, in particular, for greater sharpness and detail.

**V<sup>2</sup> COLOR**

## Footnotes

\* Copy/print speeds are measured based on internal testing using letter size paper copied/printed with 100% copy/print ratio to original on one-sided paper. Internal testing involved continuously copying/printing the same one page of content on plain paper (copy speed is tested by copying on the platen glass). Copy/print speeds may vary depending on paper type, paper size or paper feeding direction. The device may automatically pause or slow down in order to adjust printer condition such as controlling temperature of a certain unit or limiting impact to image quality during continuous copying/printing.

\*\* May vary depending on the output environment.

† Canon PRINT Business is available free on the App Store® and Google Play Store; compatible with iPhone 6 Plus, iPhone 6, iPhone 5S, iPhone 5C, iPhone 5, iPhone 4S, iPhone 4, iPad Air 2, iPad Air, iPad 4, iPad 3, iPad 2, Original iPad, iPad mini, iPad mini Retina, iPad mini 3 running iOS 7.0 - 8.0. Supports Android Tablets and Phones running OS 4.0 - 5.0. Canon PRINT Business combines the functions of Canon Mobile Printing and Canon Mobile Scanning for Business apps into one, streamlining both apps and adds new features and functionality for users of all types, from small or home offices to large enterprise offices. Users of Canon Mobile Printing can simply update the app to use Canon PRINT Business. After Canon PRINT Business is installed, users can re-register their Canon Mobile Scanning for Business device list and local documents.

†† Mopria Print Service, available free at the Google Play Store, requires a compatible Android 4.0 - 5.0 smartphone or tablet. The printer must be either wirelessly connected to the network router or with an Ethernet cable. The mobile device and printer must be connected to the same network.

††† Apple AirPrint functionality requires an iPad, iPad Mini, iPad 2, the new iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 7.0 - 8.0 or later, and an AirPrint-enabled printer

connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base Station, or Time Capsule is not supported.

- ▲ Google Cloud Print requires an Internet connection and Google Account. Printer firmware update may be necessary for Google Cloud Print™ function. Certain exceptions may apply. A PC running Windows XP or later or a Mac running OS 10.4.11 or later and USB cable are required to perform firmware update.
- ▲▲ Requires an Android mobile device with NFC hardware running Android 4.0 or later and the Canon Print Business app, available for free at Google Play. Canon Print Business app must be open to use tap and print functionality.
- ▲▲▲ Based on 20 lb. Bond paper.
  - Wireless performance may vary based on terrain/distance between printer and wireless network clients.
  - A5 paper is supported in Simplex mode only.
  - Letter-sized, after being restored from Energy Saver mode.
  - Based on Letter-sized scanning at 300 x 300 dpi.
  - The Public Switched Telephone Network currently supports fax modem speeds of 28.8 Kbps or lower, depending on telephone line conditions. Sending and receiving fax machines need to conform to ITU-T v.34 guidelines.
  - ♦ Based on ITU-T #1 Chart (standard mode).
  - ♦♦ Warranty program is subject to certain conditions and restrictions. See the warranty card for details.
  - ♦♦♦ Declared noise emission in accordance with ISO 9296.
