

**. . . why are we thanking Mayor Walker?**

Mayor Michelle Walker notified the Roy City Council at the February 13 meeting that she would resign effective February 22, 2017. She will be moving out of the city limits in the near future. The City Council appointed Anthony McDaniel as Mayor effective February 27, 2017, and he will be sworn in at the meeting that evening.

Mayor Walker stepped up to take the position in July 2015 when Mayor Yates resigned. She has served the citizens of Roy since first joining the City Council in September 2009. Her thoughtful and upbeat participation has positively contributed to the City of Roy and is much appreciated.
