To start, each player will be allowed to shoot two (2) discs to determine the court surface speed.

All discs are lined up and shot within the 10-Off area. Each player must shoot from only one-half of the 10-Off area. A player cannot step on or over the base line while shooting.

There will be three courts used. The winners will be determined by total score of each player within age group and Male/Female divisions.

The number of games will depend on the number of registrants (maximum of 4).

The event's coordinator will decide on the medals given, based on the number, sex and ages of registrants.

Latecomers may participate at the discretion of the chairperson.
