SPANISH FORK FAIRGROUNDS

Spring! A fertile time to cultivate new business...*the perfect time*, in fact, to promote the good life for your customers and your company by exhibiting your newest, most innovative products and services.

At the *Home & Fun Expo*, we will provide exhibits and demonstrations related to home and garden improvement, family health and nutrition products, favorite hobbies and ideal recreation pastimes. There will be something of interest for every guest.

The Expo is a unique marketing extravaganza—one unmatched in Utah County. And it's effective.

Why? Because business owners quickly discover they can reach more people in two days at the Expo than can be reached in two months of traditional marketing. Moreover, you can see them face-to-face, interact with them, and begin the all-important process of building relationships, establishing trust, and creating sales.
