

# HRS POWER BRAND

## Multileaf Alfalfa

HRS Power Brand alfalfa is a multileaf, fall dormancy 4 variety with excellent disease resistance and winter hardiness. It features an excellent leaf to stem ratio for optimal quality and animal gains. HRS Power Brand has shown excellent disease resistance and winter hardiness, giving it the long term persistence and productivity that alfalfa producers are looking for in a variety today. It features a tall and dense plant canopy and will provide the producer with the excellent yields and quality that they are looking for in a variety today.

### APPLICATIONS

- Excellent long term production in pure alfalfa hay situations
- Well suited for alfalfa/grass mixtures to insure optimum quality
- Excellent for hay, haylage or grazing situations

### MANAGEMENT

- Planting Rate (Pure stand): 15-20 pounds per acre
- Planting Rate (AL/grass mixture): 15-17 pounds per acre
- Planting Depth: 1/4—1/2 inch

### FEATURES

- Excellent Disease Resistance
- Excellent Multi-leaf Expression
- Excellent Winter Hardiness ratings

### BENEFITS

- Allows for optimum long term persistence
- Improved quality and density
- Improved persistence in northern climates

### PERFORMANCE DATA

Fall Dormancy: 4.2  
 Winter Hardiness: 2.3  
 Disease Rating Index: 30/30  
 Multifoliate Expression: 80%
