### Why do we need you?

**Part of our mission is to support teachers in educating our children.** We would like to start a program through which teachers can apply for small grants funded by the PTA. Being a PTA member allows your voice to be heard. You know best what our students need, and we want to support your vision. Together families, faculty, and staff can ensure that our children achieve their full potential.

### Did you know?

*The more members we have in our PTA, the more grants GW qualifies to apply for.*
