Biography

Edward Arthur Ketterer Sr, 96, of Sand Point, passed away on November 4, 2024, at home under hospice care. Edward was born on April 19, 1928 in Detroit to the late Alfred and Mary (Stenton) Ketterer. He attended Detroit Southeastern High School and served in the U.S. Army. Edward married his soul mate, Barbara Helen Smith on September 20, 1952. They were blessed with over 70 years of a happy marriage. Ed was a proud, hard working man with a smile and story or joke anywhere he went. He was a grateful man who enjoyed his long and storied life right to the end. He was a gifted athlete, playing competitive fastpitch softball as a catcher. He was named to the All World team in 1953, and was voted catcher of the year. He credited his ball playing to his meeting Barbara, and to his career at General Motors Styling/Design as a paint engineer, and he always said he never worked a day in his life...that's how much he loved his job. After retirement, he and Barb moved from Warren to Caseville where he enjoyed his retirement golfing (rarely using a cart into his early 90's), boating, woodworking and making numerous friends.
