### Injuries/Personnel News

-LSU fired Brian Kelly after 3.5 seasons. Frank Wilson will serve as interim coach. -LSU also fired OC Joe Sloan. TE's coach Alex Atkins will take over as play-caller. -Arizona State QB Sam Leavitt is out this week. Jeff Sims will get the start.

-Arizona State WR Jordyn Tyson is questionable to play at Iowa State this week.

-Texas Tech QB Will Hammond (knee) is out for the season. The normal starter Behren Morton will return from injury this week.

-WKU QB Maverick McIvor (shoulder) is unlikely to play this week.

-Texas QB Arch Manning (concussion) is questionable this week vs Vanderbilt.

-Clemson QB Cade Klubnik is probable to play this week vs Duke.

## **Games in Rotation Order**

### **Wednesday, October 29th**

**Jacksonville State 29 MIDDLE TENNESSEE 24.** Jacksonville State comes in a surprising 3-0 in conference play while Middle Tennessee sits at 0-3. Jacksonville State has the nation's No. 3 rush offense while MTSU ranks No. 134. We didn't bet side or total but a market influencer did take MT +6 yesterday.

**MISSOURI STATE 26 Florida International 23.** Missouri State is a little bit better in the stats (-0.4 ypp margin vs -0.6) and have played a tougher schedule (No. 100 vs No. 121). That would indicate to us that they are the right side but FIU has been Jekyll and Hyde this year and are coming off a bad performance. Pass.

### **Thursday, October 30th**

**Marshall 30 COASTAL CAROLINA 27.** Both teams come in off byes and both come in off back-to-back outright upset wins. Marshall QB Del Rio-Wilson has the No. 3 QB Rating with a 12-to-1 ratio. After averaging 4 ppg in non-conference action, Coastal is averaging 28 ppg in Sun Belt play. We bet Coastal and also lean OVER.

**Tulane 30 UTSA 26.** Both teams come in off a bye. Tulane head coach Jon Sumrall is mentioned among all the big jobs, will that be a distraction? UTSA HC Jeff Traylor used to get those same mentions but the Roadrunners are 3-4 and off a humbling 38-point loss to North Texas. We didn't bet side or total.

### **Friday, October 31st**

**Memphis 33 RICE 20.** Memphis QB Brendon Lewis was a surprise starter vs USF and led the comeback win that put the Tigers right back in the mix for a CFB playoff bid. They're taking on a Rice team that just pulled their 2nd outright upset as a double-digit dog this year. Memphis rush defense has been gashed the last two games and takes on Rice's No. 13 rush offense. We bet Rice.

**SYRACUSE 23 North Carolina 21.** Don't look now but the Tar Heels are playing much better. They fumbled twice crossing the goal line that would have given them wins vs Cal and Virginia. Syracuse's was averaging 38 ppg with Steve Angeli at QB for the first four games. With Rickie Collins at QB the last four...just 13 ppg. We didn't bet it.

**LOUISIANA TECH 31 Sam Houston State 18.** This is our biggest power ratings disparity of the week. We have to admit, our power ratings plays have not done well this year. Sam Houston is 0-7 SU and 1-6 ATS failing to cover their games by 11 ppg but this line feels pricey considering they were +10 at WKU, +7 at Hawaii and favored at New Mexico State. Louisiana Tech has been outgained on the season. We bet Sam Houston.

### **Saturday, November 1st**

**SOUTH ALABAMA 30 UL-Lafayette 25.** USA broke their 6-game losing streak last week and have a couple extra days to prep. ULL took a ton of money on game-day last week but that came up short in a 35-23 loss (+7). ULL did outgain Troy. We didn't bet side or total and there hasn't been any movement in the market so far.

**East Carolina 30 TEMPLE 27.** Temple has been much better than expected this year. The Owls are 6-2 ATS covering their games by 10.1 points per game and we've upgraded their power rating 9.5 points. They're back in their preferred underdog role after not covering in an OT win last week as a road favorite. ECU is off a bye and has played the tougher schedule (No. 76 vs No. 125). Our numbers lean ECU but we haven't bet it yet.

**TENNESSEE 31 Oklahoma 27.** This is essentially a playoff elimination game. Neither will make it with a 3rd loss. OU comes in reeling a bit having lost two of their last three. Tennessee got the offense back going last week putting up 56 on Kentucky. Both teams are +1.6 in ypp margin and both have played similar strength of schedules. Neyland Stadium at Night when Tennessee is good is one of the toughest atmospheres in CFB. We bet Tennessee.

**Notre Dame 43 BOSTON COLLEGE 16.** BC used to give ND a ton of problems including six straight wins in the 2000's. However, ND has reeled off 9 straight wins in the series and each of the last four have been blowouts with an average score of 45-15. That's close to where this line is. However, this is the biggest point spread in the history of the rivalry and we thought BC competed well at Louisville last week. We bet BC and the OVER.

**CLEMSON 29 Duke 25.** Cade Klubnik should return here for Clemson after missing the SMU game prior to the bye. The Tigers who were ranked No. 4 in the preseason are up against it just to make a bowl game this season. Duke has been better than expected and have the better ypp margin (+1.1 vs +0.9). It's another game where we don't have much interest in.

## **HOME TEAM IN CAPS**

**FLORIDA STATE 31 Wake Forest 23.** FSU has lost 11 straight ACC games and HC Mike Norvell is starting to feel some pressure. We think he gets another year as the Noles are strapped for cash and they'd be entering a market where they'd be down the totem pole as far as grabbing a big name. Wake has been surprisingly good under first-year coach Jake Dickert. They upset SMU last week on the final play. The Demon Deacons are +1.9 in ypp margin. Tough spot for them here.

**Indiana 37 MARYLAND 16.** Indiana beat UCLA by 50 last week. We've upgraded their power rating 10.5 points this season...more than any team in the country. Last year we upgraded Indiana PR 17 points...more than any team in the country. Incredible what Cignetti has done. We're not stepping in front of them anytime soon. We lean OVER.

**MICHIGAN 34 Purdue 14.** Michigan got back-doored by Michigan State last week but the Wolverines were not covering a majority of the game. They're not the type of team you want to lay three TD's with considering their slower tempo and rush heavy offense. Purdue went from +3 to -3 vs Rutgers last week and lost by 3 on the final play. We lean with the Boilers here.

**Georgia Tech 32 NC STATE 25.** Georgia Tech is now at 8-0 for the first time since 1966. QB Haynes King should be getting more Heisman love as he threw for 301 yards and three TD's last week and added 91 yards rushing. He's facing a NC State defense that has allowed 35 ppg and 441 ypg in ACC play this year. However, GT's secondary is banged up. Pass.

**OHIO STATE 33 Penn State 12.** This was supposed to be a Top 5 matchup in all of CFB this regular season. With Penn State being 3-4 SU and playing with an interim coach and backup QB, all of the shine has been taken off. Penn State is one of the worst ATS teams in the country at 1-6 failing to cover their games by 10.9 ppg. Ohio State is the best ATS team in the country at 6-0-1 covering their games by 8.2 ppg. We haven't bet side or total.

**Louisville 32 VIRGINIA TECH 22.** Louisville is 2-5 ATS this year. Obviously, they play their best in the disrespected underdog role (Miami game) and not as a big favorite (last week vs BC). VT did have arguably their best performance of the season last week as they dominated Cal in the trenches out-gaining them 357-30 on the ground in the double OT win. They haven't quit on the season with the interim coach yet. We bet VT.

**Buffalo 23 BOWLING GREEN 22.** Bowling Green QB's Drew Pyne and Lucian Anderson are questionable here. 3rd string QB Baron May got the start last week in the upset loss to Kent State but suffered a serious injury. There is a chance the Falcons could be starting a 4th string QB in Hunter Najm. Buffalo has been extremely disappointing this year and are 0-5-1 ATS in their last six.

**WESTERN MICHIGAN 24 Central Michigan 18.** Both teams are 3-1 in MAC play and the winner would enter November as one of the MAC favorites behind Miami. WMU was outscored 17-0 in the fourth quarter vs Miami last week. That snapped a 6-1 ATS mark. CMU has won four of their last five games but are stepping up in competition. We lean WMU.

**Army 25 AIR FORCE 24.** The last 11 meetings have all went UNDER the total. However, Air Force games are 6-1 to the OVER this year by an average of 18.8 ppg. Army has a better yards per play margin and has played a tougher schedule (No. 56 vs No. 85). Our ratings have them as the slight favorite but we've seen the market flip Air Force to favorite in the last 24 hours.

**TEXAS 24 Vanderbilt 21.** Will Arch Manning play for Texas? He's in concussion protocol. Texas comes in off back-to-back OT wins at Kentucky and at Mississippi State. They trailed the Bulldogs 38-21 in the fourth quarter. Vanderbilt is 6-2 ATS with an average cover margin of 10.2 points per game. Surely, we will go Vandy here right? Nah, we think Arch will play and bet Texas. Vandy was outgained by 111 yards last week and are playing their 4th ranked team in a row.

**ILLINOIS 35 Rutgers 24.** Rutgers got the come-from-behind win over Purdue last week. They deserved it considering they had a 543-345 yard edge in the game. They were bet from a 3-point favorite to a 3-point underdog. Meanwhile, Illinois was bet from a 5-point underdog to a 3-point underdog last week. No surprise the early week money is on Illinois here going from -10 to -13. We'd be interested in Rutgers if the line continues to climb.

**MINNESOTA 26 Michigan State 21.** We like the home-away dichotomy here. Minnesota is 5-0 straight up at home outscoring their opponents by 21 ppg. They are 0-3 on the road getting outscored by 30 ppg. Last week they no-showed at Iowa. Michigan State has lost five straight and are 0-3 on the road losing by 16 ppg. They're off a rivalry game at home.

**IOWA STATE 27 Arizona State 23.** One-factor handicap here in that Arizona State QB Sam Leavitt is out for this game. He's one of the most valuable players in CFB (see ASU at Utah without him and vs Texas Tech with him in back-to-back weeks). Jeff Sims will get the start here. Iowa State has lost three straight and need a win. We were unaware of the Leavitt situation when we bet ASU early Sunday morning. Still tough trusting Iowa State right now.

**CONNECTICUT 38 Uab 25.** UAB comes in off a bye after pulling one of the biggest upsets of the CFB season beating Memphis 31-24 as a 23.5-point underdog. Speaking of upsets, UConn just got upset by Rice in double-OT as a 10-point favorite. The Huskies have now lost three games in OT this year. We bet UConn.

**BAYLOR 32 Central Florida 28.** Baylor is 1-7 ATS failing to cover by 6.9 points per game this year. They fired their OL coach this week and you have to wonder if the end is near for Dave Aranda. There's multiple groups that think so as this line has been bet down from Baylor -6 to -3.5. We bet Baylor and OVER but prefer the OVER.

**BOISE STATE 35 Fresno State 17.** Fresno State made a surprise move and started Carson Conklin at QB last week. It did go well as Fresno was shutout at home 23-0 to San Diego State. He's making his first road start this season vs a Boise State team that is allowing just 296 yards per game at home this year.

**UTAH 32 Cincinnati 23.** Utah pulled some shenanigans yet again when it came to QB availability last week. Devon Dampier was listed as probable but Byrd Ficklin got the start and ran for 151 yards in the 53-7 crushing of Colorado. You would think Dampier plays here vs a red-hot Cincinnati team that has won 7 straight. Both teams are +2.0 in ypp margin but Utah has played the tougher schedule. We bet Utah and so far the market agrees.

**Arizona 28 COLORADO 23.** Did we just see Colorado "let go of the rope" with the Coach Prime era last week? The Buffs trailed Utah 43-0 at halftime and were outgained 398-to-MINUS-18 yards at that point. Arizona comes in off a bye needing a win. Our power ratings can't get there but we could only look towards Arizona here.

**Washington State 26 OREGON STATE 22.** You have to be impressed with Washington State. The Cougars have covered four games in a row albeit all in the underdog role. They beat Toledo 28-7 last week as a 2-point home underdog. However, now they're laying more than a FG on the road to a Oregon State team off a bye. Were the Beavers focused on the bye or are the coaches and players more worried about where they will be next year with a new regime?

**Virginia 29 CALIFORNIA 25.** UVA is the most fortunate team in the country with three OT wins and a lucky escape vs Washington State (all in their last four games). They were outgained in all four. Using Bill Connelly's post-game win expectancies, UVA should have 4 or 5 wins, not 7. We wish they were playing someone more trust-worthy than Cal. The Bears have been up-and-down and were destroyed at the line of scrimmage last week at Virginia Tech (out-rushed 357-39).

**UNLV 33 New Mexico 29.** UNLV comes in off the bye after suffering their first loss of the season. We think they are a fraudulent team as they've been outgained on the season despite their 6-1 record. We also don't like that they have had three bye weeks already that could disrupt their timing. New Mexico has been a big surprise and we've upgraded them 10 points in our power ratings (2nd most behind Indiana). We bet New Mexico and the market is all over this one.

**Pittsburgh 34 STANFORD 20.** Pittsburgh has been red-hot with four straight wins by 20 ppg and four straight covers by 17 ppg. True frosh QB Heintschel has started all four and is off his best performance throwing for 423 yards and three TD's. Historically, this is the kind of spot HC Narduzzi struggles in and Stanford has already pulled two big outright upsets at home this season.

**Texas Tech 31 KANSAS STATE 23.** Texas Tech should get QB Morton back from injury here. Just in time as backup Hammond is now out for the season. The Red Raiders are taking on a red-hot Kansas State team that has covered four straight. The Wildcats beat their rival Kansas for the 17th straight season last week. Texas Tech is much better in the stats (+2.9 ypp margin vs +0.7) but Kansas State has played the tougher schedule (No. 36 vs No. 103). We bet TT here.

**TROY 30 Arkansas State 23.** Both teams have surprised this season. Arkansas State has won and covered three straight all in the underdog role. It's been a little "smoke and mirrors" as they are -1.5 in ypp margin. Troy has won and covered five straight. Pass.

**Miami, FL 31 SMU 20.** We're not yet back on the Miami bandwagon and this is the type of game they've struggled with under Cristobal. However, SMU is vastly overrated this year. Outside of beating Clemson, we haven't been impressed with them in any game.

**HOUSTON 31 West Virginia 17.** Willie Fritz is the most underrated coach in the country. He wins everywhere he goes and in year two already has Houston 7-1. They have pulled back-to-back outright upsets but now find themselves 2-TD favorites. It's deserved vs a WVU team that has lost five straight and is -23 ppg in Big 12 play.

**AUBURN 30 Kentucky 20.** Auburn broke their 4-game losing streak last week. They benched QB Jackson Arnold and rallied from a 24-16 4Q deficit at Arkansas. Kentucky has lost 10 straight SEC games. It still looks like both of these coaches will be on the way out sooner than later. Tough laying 10.5 with Auburn. We lean OVER.

**ARKANSAS 34 Mississippi State 30.** Both teams desperately need a win. Both have been so close. Mississippi State is 0-4 in SEC play with two of the losses coming in OT. Last week they led Texas 38-21 in the fourth quarter but blew it. Arkansas also blew a 4Q lead. They've lost four games by six points or less this year. You would think OVER is the play but our numbers can't get that high. Pass.

**NORTH TEXAS 36 Navy 30.** Navy is 7-0. They have been a double-digit favorite in every game so far. Reality is going to set in though as they are not only underdogs here but will be underdogs in each of their next four. They're facing a North Texas team that has played the much tougher schedule (No. 106 vs No. 163). If you think this is high for a Navy total, their games are 6-1 to the OVER while North Texas games are averaging 71 total ppg.

**Old Dominion 34 UL-MONROE 19.** ULM is a mess right now as they could be playing a 2nd straight week with a 3rd string QB (see page 1 injuries). The Warhawks are 2-6 ATS failing to cover by 11.2 ppg. ODU is only 1-4 ATS in their last five. The market has bet ODU this week as the soft openers on Sunday had this as low as 13.5.

**KANSAS 40 Oklahoma State 15.** Tough backing Oklahoma State at any number right now. They are 1-7 ATS failing to cover their games by an average of 10.6 points per game. We've downgraded them 14 points in our power ratings and they rank No. 120 overall. They're heading towards one of the worst seasons ever for a Power 4 team. What frame of mind is Kansas in after getting crushed by Kansas State?

**Usc 33 NEBRASKA 28.** Maybe the most underrated game of the day. Both programs need a win here. When traveling two time zones or more Lincoln Riley is 1-7 SU (only win at Purdue) and 1-7 ATS (only cover by a 0.5-point) at USC. This would be Nebraska's biggest home win in a decade. We lean Nebraska but prefer the OVER. We think Nebraska's defense is overrated and last time out we saw USC's defense getting gashed by ND.

**OLE MISS 32 South Carolina 21.** Lane Kiffin has done a great job at Ole Miss this year. After last week's upset win at Oklahoma, it looks like the Rebels are heading to the playoffs this year. However, this is the kind of game Kiffin struggles with especially with his name being floated for every big job opening. South Carolina led Alabama 22-14 in the fourth quarter but lost. They're capable of pulling a shocker.

**LIBERTY 27 Delaware 25.** We think Delaware is the better team. The Blue Hens are +0.0 in ypp margin while Liberty is -0.3. Liberty just announced their leading tackler Joseph Carter is out for the season and their top defensive player Brylan Green remains out. Check status for Delaware QB Nick Minicucci who was banged up at end of Middle Tennessee game last week.

**WESTERN KENTUCKY 31 New Mexico State 21.** WKU will be playing without starting QB McIvor again here. His backup Rodney Tisdale threw for 227 and ran for 73 in the upset of Louisiana Tech last week. New Mexico State has lost four of their last five. We like WKU here but CUSA has been nearly unpredictable.

† **Georgia 30 Florida 20.** @Everbank Stadium in Jacksonville, FL. The World's Largest Outdoor Cocktail Party. Georgia has won four straight in this series by an average of 38-17. Both teams have played among the toughest schedules in the country but UGA is +0.9 in ypp margin while Florida is +0.2. Florida will play hard in the first game with an interim coach but we expect Georgia to pull away and win the second half like they have in most games this season.

**SAN DIEGO STATE 25 Wyoming 15.** San Diego State is 6-1 ATS this year covering their games by an average of 16.2 points per game. They've been outstanding this year outside of the loss at Washington State. Wyoming has also been better than expected. Not sure we can lay double-digits with the lowest total on the board.

**SAN JOSE STATE 30 Hawaii 29.** We think this Hawaii team has consistently been under-valued in the markets. The Warriors have covered four straight all in the underdog role. If you're worried about them playing off the islands, they outright upset Air Force and Colorado State already. San Jose State has already cashed their season win total UNDER. Safe to say they've been a big disappointment.

## Week 10 Computer Projected Lines for Every CFB Game

For the past eight seasons we have posted computer projected lines for every game on Wednesday. Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 506-441-14 (53.4%) clip! Last week our computer went 0-7 (ouch!) and for the season now stands at 16-24-2. That's pretty solid and actually better than our own handicapping in some seasons. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots or if there are late-week injuries. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 2 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite team this week to back would be **Sam Houston State +17**.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference

## Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is one of the first books in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. 2020 was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! In 2021, we were 224-196-5 (53.3%) vs the Circa openers with an average line value of 1.8 ppg. In 2022, we were 314-262-14 (54.5%, CLV 417-122-51 +1.65 ppg). In 2023, we were 405-358-6 (53.4%, CLV 577-137-55 +2.09 ppg). So far this season we are 144-115-1 55.5% (CLV 201-43-16 +1.94 ppg) Below is some of what we bet already for Week 10 which includes bets we made in the summer for this week.

## Games in Rotation Order

### Thursday, October 30th

**Baltimore 29 MIAMI 22.** Despite a 2-5 record, the Ravens are the favorites in the AFC North. They were on a 2-11 run without Lamar Jackson at QB but rallied to beat the Bears after a bad first quarter. Lamar returns here after missing the last three games. Will there be some rust? We were worried that the Dolphins had quit on the season. They pulled the biggest shocker of last week crushing the Falcons 34-10 as 7-point underdogs. We're not wild about laying 7.5 on the road especially after an historic week for NFL favorites cashing (see below). We do like Baltimore as a 1st leg of a teaser. Totals' players not the two teams are a combined 12-2-1 to the OVER this year.

### Sunday, November 2nd

**Chicago 26 CINCINNATI 24.** The Bears are a fraudulent 4-3 team that has a -0.6 yards per play margin (No. 26). We will be looking to fade them down the stretch. We're not sure this is the best week to do it as the Bengals are a mess with a -1.2 ypp margin (No. 31). Cincinnati got outscored 23-7 in the fourth quarter at home to the winless Jets last week and it is becoming more likely they clean house at the end of this season. The Bengals defense ranks dead last allowing 6.2 ypp and a big reason six of their last seven games have went OVER.

**San Francisco 25 N.Y. GIANTS 21.** The 49ers come in off the loss to the Texans. The market was all over it as they got bet to a 3-point underdog. We don't mind backing them in a bounce back spot. After their two previous losses this year, they covered by an average of 11 ppg. They're taking on a Giants team reeling after blowing the big lead vs Denver two weeks ago and then got crushed in Philly last week allowing 7.5 yards per play. They also lost RB Skattebo to injury.

**NEW ENGLAND 24 Atlanta 21.** This is a "buy low, sell high" handicap. The market has thrown the Falcons in the dump for losing back-to-back games as a favorite. They had the worst performance of Week 8 last week as they lost by 24 to the Dolphins as 7-point favorites. We think QB Penix will return here as he was throwing in today's practice. They're taking on a red-hot New England team that's won and covered five straight. However, the Patriots have played the weakest schedule in the NFL so far. The Falcons have the better ypp margin (+0.6 vs +0.4). If Penix plays, we think Atlanta has a shot at the outright upset.

**Indianapolis 25 PITTSBURGH 23.** Indianapolis has the best record in the NFL at 7-1 straight up and 6-2 ATS. They rank No. 4 in ypp margin (+1.1) and have moved to No. 1 in DVOA. They haven't played the toughest slate (No. 30) and are catching a Pittsburgh team fresh off blowing a 4Q lead vs Green Bay. The Colts have handled the role as big favorite but we're wondering how they handle the road favorite role over a decent team.

**GREEN BAY 30 Carolina 17.** The Packers rank No. 1 in ypp margin at +1.3. They are coming off their best performance since the opener. They outscored the Steelers 21-6 in the fourth quarter and it kind of felt like a passing of the torch from Rodgers to Love. Carolina lost three starting OL during the Buffalo game last week and were destroyed. QB Dalton was sacked seven times and had three turnovers. Despite a 4-4 record they are -0.6 in ypp margin. Totals' players note that four of Carolina's last five have gone OVER while each of Green Bay's last four games have went OVER.

**DETROIT 28 Minnesota 20.** Detroit comes in fresh off a bye. They continue to cover point spreads at an historic rate under Dan Campbell. 5-2 ATS this year and 52-23 ATS (69%) since 2021. They're coming off a bye after they easily dispatched Tampa Bay. The Vikings have lost back-to-back games. They had their worst performance of the season last week in a 27-point loss to the Chargers. They will play much better here but it won't be enough. The Lions are a decent teaser option.

**HOUSTON 22 Denver 20.** Denver comes in with five straight wins. Their offense averaged 7.5 yards per play in the blowout win over the Cowboys last week. After an 0-3 start, the Texans have won three of their last four and a win here would put them back in the playoff mix. Denver is +1.0 in ypp margin compared to Houston's +0.5 but the Texans have played the tougher schedule (No. 8 vs No. 29). Denver would be a solid teaser with such a low total.

## HOME TEAM IN CAPS

**L.A. Chargers 27 TENNESSEE 17.** After a stretch where the Chargers lost three of four games outright and went 0-4-1 ATS, they had a great performance last week in a 37-10 win over the Vikings. They have a couple extra days to prep as they travel to take on the worst team in the NFL. The Titans are 1-7 SU and 2-6 ATS. They are -1.7 in ypp margin (No. 32) and also rank dead last in DVOA. They got crushed last week and should be winless if not for an historic collapse by the Cardinals. More of the same here.

**Jacksonville 24 LAS VEGAS 21.** Both teams come in off a bye. The Jaguars did not handle the back-to-back upset wins over the 49ers and Chiefs well. They dropped a pair of games to the Seahawks and Rams by a combined 55-19. However, they are taking a step down in class here vs a Raiders team that is 1-5 SU and 1-5 ATS since the opener. The Raiders had one of the worst offensive performances in NFL history in their last game managing zero points and 95 yards vs the Chiefs. It does worry us that both teams are -0.4 in yards per play margin while the Raiders have played the tougher schedule (No. 5 vs No. 14). Pass.

**L.A. RAMS 28 New Orleans 15.** Every week the market continues to bet the Saints and just about every week they come up short. The Saints are now 1-7 SU and 2-6 ATS after losing 23-3 last week. They rank No. 31 in DVOA and Sagarin's ratings actually have them dead last. The Rams come in fresh off a bye. They are No. 3 in ypp margin and No. 4 in DVOA. They have huge games vs San Francisco, Seattle and Tampa Bay on deck so not sure their motivation for margin.

**BUFFALO 27 Kansas City 26.** Obviously, one of the premier games in the NFL regular season as these two have been the best in the AFC for the last 5 or so years. Buffalo is better in the stats with a +0.7 ypp margin (KC +0.5). However, the Chiefs have played the tougher schedule (No. 18 vs No. 31). The Bills had a bye two weeks ago and an easy game vs Carolina last week. You have to think they were sneaking in KC prep during that bye. Meanwhile, the Chiefs are playing a 9th straight week and are on a short week. In the Mahomes vs Allen era, the Chiefs are 4-0 in the playoffs. However, the Bills have won 4 straight in the regular season. We like Buffalo especially in a teaser.

**Seattle 25 WASHINGTON 22.** Seattle comes in fresh off a bye. The Seahawks are 5-2 SU and 5-2 ATS. They rank No. 2 in ypp margin and No. 2 in DVOA. Washington is playing a 9th straight week and are banged up. They've lost three straight games and another here would mean this could be a lost season. Will Jayden Daniels return? Will it matter here vs an underrated Seattle team?

### Monday, November 3rd

**DALLAS 28 Arizona 26.** Arizona comes in off a much-needed bye. They are better than their record as they have incredibly lost five straight games by four points or less. Dallas has been a much better team at home this year especially on offense as they've averaged 41 ppg. Their defense has been the issue no matter where the game is played as they have allowed 6.2 ypp and were gashed for 7.5 ypp last week in the 44-24 loss to the Broncos. We would like to back the Cardinals here but the Cowboys have been so Jekyll and Hyde. Despite a high total, we wouldn't mind Arizona as a teaser considering they always play in close games.

## Byes: Cleveland, N.Y. Jets, Philadelphia and Tampa Bay
