

COVID-19 PROTOCOL FOR WCOTC CLASSES (JUNE 2020)

- *For everyone's safety, CDC guidelines for social distancing & wearing masks within 6 feet of another individual is required on WCOTC grounds.*
- *Avoid touching equipment and other surfaces unless necessary.*
- ***Per CDC guidelines: Anyone with COVID-19 symptoms should not enter the building until 3 days have passed without symptoms or you have obtained a negative COVID-19 test. If you are in contact with a COVID-19 patient, you may not enter the building until your quarantine has been completed and you have been released by the Health Department.***

Obedience Building/Classes

- Students will enter the building when instructors are ready via the parking lot entrance.
- Students will leave after class via the dock entrance.
- Classes are limited to 8 students with only 1 additional companion if necessary (ex. junior handler, service dog)
- Students must wear a mask to enter/while in the building.
- Surfaces will be sanitized between classes.

Agility Building/Classes

- Students will enter the building when instructors are ready via the parking lot entrance.
- Students will leave after class via the back lane entrance.
- Classes are limited with only 1 additional companion if necessary (ex. junior handler, service dog)
- Students must wear a mask to enter/while in the building. Mask may be taken off when running a dog for safety reasons but must be on while waiting/setting up.
- Only instructors will touch the equipment for set-up/tear-down.
- Surfaces will be sanitized between classes.

Scentwork Classes

- Dogs/handlers will enter the building one at a time.
- Congregating inside the building will not be permitted.
- Students must wear a mask to enter/while in the building.
- Only instructors will touch the equipment for set-up/tear-down.
- Surfaces will be sanitized between classes
- Outdoor scentwork activities will require a mask when people are within 6 feet of each other.
- Students will enter and leave the buildings per the guidelines for the appropriate building as described above.

Conformation Classes

- Students will enter the building when instructors are ready via the parking lot entrance.
- Students will leave after class via the dock entrance.
- Classes are limited with only 1 additional companion if necessary (ex. junior handler, service dog)
- Students must wear a mask to enter/while in the building.
- Surfaces will be sanitized between classes.
