

REVELATION 12 FALL 2023

CONVERGENCE OF 3 ASTEROIDS ON ROSH HASHANAH SEPTEMBER 15-17

The purpose of this illustration is to depict the Rendition of the Sign that occurs yearly to varying Degrees, but most notably during the Fall Feast of YHVH in September of 2023. Why it is notable is that during this Time, there will be 3 Asteroid with particular names that suggest a 'Birthing' of the Child, as depicted from the Revelation 12 Sign. This Time happens to coincide with the Fall U.N. Meeting that calls for a 7-Year Accelerated Protocol to implement their Diabolical Plot to take over the Whole World. The Observation of these Asteroid in Virgo was made by Patrick at Hourly Watch YouTube Channel.

The 'Virgin' Prophetess is celestially 'speaking' about this very prophecy. It is as if Christ is answering the arguments and questions of so many regarding the Great Sign of Virgo, 'is it prophetic?' Yes, her Stars 'speak' of Prophecy, Biblical Prophecy as Psalm 19:1-9 rightly declares regarding the Sun, Moon and Stars.

The question remains, what is that prophecy? Was the Revelation 12 Sign a Countdown? Does the Black Hole imply an 'Open Door'? Perhaps it is that something will be 'birthed' or 'harvested' in the whole context of the Virgo Sign typology or perhaps the Rapture event. When? In the Year when the next Black Hole Image is to be captured.

- The Star in Virgo named Porrima means the, 'Goddess or Maiden of Prophecy'. How appropriate is that in light of the frenzy that was about the Revelation 12 Virgo Sign. It would appear that YHVH is 'confirming' the notion that indeed, the Virgo Sign is prophetic; perhaps as many Christians as well as non-Christians alike are asking, is this sign prophetic? It would appear so as if Virgo herself is 'testifying' that she is divulging 'prophecy' by way of her star being in conjunction to the Sun, Moon and the Stars. The Virgo Sign typifies, Mary, Israel, and the 'Church' or the reflected glory of the Bride of Christ. The Sign may very well coincide with the Rapture Season that was a prelude to the Virgo Sign Astronomically Occurring in September of 2017.
