

Dear Parents/Guardians:

The SMPTO is very excited for **BUBBLETHON 2019**. Bubblethon provides our students with a fantastic opportunity to have fun and get some exercise while raising money to support our school!

Donation Collection Period

August 22nd through September 11th

Bubblethon Event Dates

October 18, 2019 at Iron Forge Elementary School

November 1, 2019 at W.G. Rice Elementary

During Bubblethon, students collect sponsorships from family and friends and donate their recess to walk laps or exercise in an exciting and festive atmosphere. **Donations will be accepted from August 22nd through September 11th.** We ask that each student set a personal fundraising goal of \$35. All students who achieve that goal will receive an official Bubblethon 2019 t-shirt to keep and wear on the day of the event!

Included in the attached information packet are donation letters and the prize structure! All of this information can also be found at our website www.smpto.com. Additional donation letters can be obtained online or from either school office. For your convenience, our donation letters are two-sided and can be easily folded for mailing. Before sending, *please have your child complete the required information including their name, grade, teacher and homeroom.* ***If donation forms are returned without student information, the donation cannot be credited to the student's fundraising total.*** The student may also return the donation directly to the school, but each donation must be accompanied by a completed donation letter or the enclosed donation tracking sheet. Friends and relatives can donate on-line by going to www.smpto.com and clicking on Bubblethon. Online donations must also include the student's name, grade and teacher. We are hoping that students will contact family and friends near and far to ask for pledges!

Bubblethon is the SMPTO's only school wide fundraiser. All donations are tax deductible and will be used to support the SMPTO's mission of enriching and enhancing the education of our elementary students. **The SMPTO provides educational assemblies, new library books, playground equipment, technology purchases, funding for innovative classroom programs and much, much more for our students!** We contribute significantly to your child's education, but we need your support to continue this work. Please consider participating in this fun, one-of-a-kind event! Questions can be directed to board@smpto.com.

Thank You for Your Support!
