

THE GAME FISHER

SUITABILITY

This versatile 2.7 metre fishing kayak designed to be paddled down your favourite river or on a large lake. This kayak is extremely stable, light weight and easy to manoeuvre in and out of tight spots so that you can fish where boats can't. The Game Fisher has two large threaded hatches and a large rear cargo well allowing easy access to your fishing tackle, dive and other gear. To complete the fishing package it also comes equipped with a Railblaza Star Port and two flush mounted rod holders.
