

Health and safety policy statement

Health and Safety at Work (NI) Order 1978

McKinstry Skip Hire regards Health and Safety as a critical priority for the Company. The health and safety of everyone involved in, and affected by our operations, is of primary importance and central to the sustainability of the business.

We are committed to strong, visible leadership and engagement with the workforce in promoting and providing a safe environment in which to work. It is our aim to provide an incident free environment where accidents are prevented, so far as is reasonably practicable, and health is protected.

Our statement of general policy is:

- to provide adequate control of the health and safety risks arising from our work activities;
 - to consult with our employees on matters affecting their health and safety;
 - to provide and maintain safe plant and equipment;
 - to ensure safe handling and use of substances;
 - to provide information, instruction and supervision for employees;
 - to ensure all employees are competent to do their tasks, and to give them adequate training;
 - to prevent accidents and cases of work-related ill health;
 - to maintain safe and healthy working conditions; and
- to review and revise this policy as necessary at regular intervals

This safety policy will be reviewed periodically and amended if necessary. The safety performance of McKinstry Skip Hire will be monitored on a regular basis and action taken to improve safety standards. McKinstry Skip Hire asks each employee to comply with the safety Policy in the spirit intended.
