+ indicates the chance of increased pricing due to length and density of the hair. Your stylist can provide you with a more accurate price upon request.

*Chemical services do not include a Blow dry

Balayage: technique for highlighting the hair in which the stylist hand paints color in a way to create a graduated (ombre), natural effect.

Split End Treatment: Product by Brazilian Blowout applied to the ends of the hair to instantly repair, mend and seal broken and split ends for up to 4 weeks. Can be added to any service.
