VILLAGE OF CLAYCOMO, MISSOURI

Present: Marj Finley; Amada High; Roxie McClure; Richelle Scarborough Bud Woodside; Clerk King

Meeting was called to order at 7:01 pm

Discussion continued from previous meeting on design and placement of signage for the Village. Roxie provided the committee with a sketch of a proposed model. Model could be adapted to various locations based upon available property and view from passing vehicles. Model included a bench with a retaining wall behind and an arbor/shelter. Discussion was held on being able to “honor” veterans along with police and fire employees for their contributions.

Agreement was for now to retain the two Village “entryway” signs and have them cleaned up. Austin’s Ironworks will be contacted on how to best clean up signs since they made them to the Village.

Next regular meeting will be on March 19th at 7:00 pm.

Meeting adjourned at 8:47 pm
