

Hi, all

We are moving right along and have reached mid-semester in our class. This week, in topic content we are moving on into lesson nine. The homework for the week is to copy the vocabularies three times each(指南针, 方向, 东, 南, 西, 北, 它, 告诉, 教室, 校门口, 足球场, 还是, 因为, 所以)

As always, please reach out with any questions or needs.

Regards,
Ms. Tan
