

CAPABILITY STATEMENT

BUILDING YOUR FUTURE

M&N Construction Group is a General Contracting Firm registered in the State of Florida since 2005. With high ethics standards, an excellent project track record, and consistent on-time, on-budget, high-quality work, the company has remained a successful family owned business even during the peak of the housing crisis. We have significant experience in the commercial building area, remodeling warehouses and retail dwellings and have recently entered into the residential construction segment.
