Wednesday, October 19th  
6pm-8pm in Hermann Room

Join us for a 90 minute illustrated 'virtual tour' chronicling cemetery art, history and symbolism - featuring Falmouth Cemeteries by the Gravestone Girls, amateur gravestone historians and artists! Learn why we have cemeteries and gravestones, why they look like they do and how styles and art have evolved over almost 400 years. Q&A to follow.

Registration is required. Register online using the library's online event calendar or call the library at 508-457-2555x7.

Co-sponsored by the Trustees of the Falmouth Public Library, Oak Grove Cemetery Association of Falmouth, and Falmouth Genealogical Society.
