CS900 RECUMBENT BIKE

Like all TRUE equipment, the CS900 recumbent bike is comfortable, smooth, quiet and durable. The small footprint allows you to maximize the space in your facility, while offering the highest quality equipment available to your users. Plus, since users don't have to step over the frame to reach the seat, it's perfect for all ages, especially seniors or members who are rehabbing an injury.

CS900
